- (e) Effective 2014 July 21, employees leaving work will notify their immediate non-bargaining unit supervisor, and may charge the time away from work to their unused sick leave.
- (f) Time off for medical and dental appointments or sickness may be taken up to seven hours per fifth of a year as set out in Clause (b) above without losing the whole sick day payout. In other words, if, during a fifth of a year, an employee only had a two hour dental appointment charged against his/her sick time, he/she would be paid five hours from his/her sick time.
- (g) If an employee has exhausted their sick leave credits, the employee may, at the discretion of the Chief Administrative Officer, be allowed an extension of the sick leave. Upon return to work, arrangements shall be made to repay the extension in full.
- (h) The following shall apply to an employee who has reached the maximum sick leave accumulation of one hundred twenty (120) days and subsequently uses sick leave:

The sick leave used shall first be deducted from the sick leave credits that the employee would have earned if the employee had not previously reached the one hundred twenty (120) day maximum, calculated retroactive to January 01 of the current year only. Such calculation shall take into consideration any payout the employee received under paragraph (b). Thereafter any sick leave used shall be deducted from the employee's sick leave bank. Nothing in this provision shall alter the maximum sick leave accumulation of one hundred twenty (120) days.

(i) Sick Leave Reimbursement

An employee who has received sick leave benefits for injuries caused by a third party shall be obliged, in the event such employee undertakes an action for recovery of damages against the third party, to seek recovery of the total cost of wages and benefits paid to the employee while on sick leave. The employee shall be obliged to reimburse the Employer to the extent the employee succeeded in recovering such wages and benefits. This provision includes claims made to ICBC. Upon the City receiving such reimbursement it shall credit the employee with the number of days of sick leave proportionate to the amount so recovered, and in addition the City shall recalculate whether the employee would have earned any benefit(s) under Article 6.05(b).

In making a claim to the Court, the employee or his representative shall request the presiding judge, or judge and jury, to specify the amount of any award which is attributable to the recovery of the cost of wages, benefits and interest. In the case of an out-of-court settlement, a separate amount attributable to the recovery of the cost of wages, benefits and interest will also be specified. Settlements that do not specify the amount attributable to wages, benefits and interest will be deemed to include the cost of wages and benefits paid to the employee while on sick leave plus reasonable interest unless the employee can demonstrate, to the satisfaction of the City, that such amounts were not recovered.

Section 6.06 - Jury or Court Witness Duty Leave

- (a) Regular Full-Time and Regular Part-Time Employees who are called to serve as jurors or are subpoenaed as witnesses in criminal or civil courts, shall be granted leave of absence for such purposes without loss of any privileges. Normal pay will continue to be issued on the usual pay dates. At the conclusion of his/her duty, the employee shall obtain a certificate from the Court showing the period of his/her jury or witness service and the amount of compensation received, and shall deposit this certificate together with the full amount of the compensation but not including travelling allowances with the City. Employees shall make every reasonable effort to request leave prior to such leave occurring.
- (b) In the event that the provisions of this section indicate abuses, the matter shall be dealt with as per Article 7, Section 7.05, Clause (a) of this Agreement.
- (c) See Section 6.07 for benefits applicable to Casual Employees and Section 6.08 for benefits applicable to Temporary Full-Time Employees.

Section 6.07 - Regular Part-Time and Casual Employees Benefits

(a) Percentage in Lieu of Benefits

Regular Part-Time and Casual Employees shall be paid an amount equal to 12% of their regular earnings which shall be considered to be in lieu of all employee benefits including those providing for time off with pay except as provided in Section 6.06 for Regular Part-Time Employees. Upon the completion of the equivalent of six (6) months service the percentage shall increase to 16% for Regular Part-Time Employees.

A Regular Part-Time Employee who is enrolled in the Municipal Pension Plan shall have their percentage in lieu of benefits reduced by six percent (6%) points (e.g. from 16% to 10%) in recognition of the City's contribution to the Municipal Pension Plan.

Regular Part-Time and Casual Employees shall be paid the applicable premiums for working on a Statutory Holiday. However, as they receive a percentage in lieu of benefits, an employee who does not work on a Statutory Holiday will not receive any pay or compensating time off in lieu of the holiday.

(b) Regular Part-Time Employees Option

A Regular Part-Time Employee who is scheduled to regularly work twenty (20) hours or more per week shall, on commencing employment or upon having their regular hours increased to twenty (20) or more hours per week, have a one-time option to participate in benefits or receive the percentage in lieu provided in paragraph (a) above. An employee who opted to receive the percentage in lieu of benefits shall have a further one-time option to participate in benefits, which shall be irrevocable.

A Regular Part-Time Employee who elects to participate in benefits shall be eligible for the same benefits applicable to Regular Full-Time Employees provided that all time off with pay provisions are prorated calculated on the same proportionate basis as the Regular Part-Time Employee's regular weekly schedule of hours bears to the full-time hours for that class of positions, including a proration of the maximum sick leave accumulation.

Where a Regular Part-Time Employee who is participating in benefits has their regular hours reduced such that the employee is no longer eligible to participate in benefits as per this paragraph (b), benefit coverage will cease at the end of the month in which the hours are reduced and the employee shall be paid a percentage in lieu of benefits pursuant to paragraph (a) commencing on the first of the month following the expiry of the benefit coverage.

- (c) Regular Part-Time and Casual Employee shall not be paid the percentage in lieu of regular earnings when on any unpaid leave of absence, except for Union leave where the Union has agreed to reimburse the City.

Section 6.08 - Temporary Full-Time Employees Benefits

Temporary Full-Time Employees are not entitled to any benefits other than those to which an employee becomes entitled by reason of statute. Effective on the first day of the month following completion of six (6) months of continuous service from the date of hire, a Temporary Full-Time Employee shall be entitled to all benefits, except annual vacation and coverage under the Municipal Pension Plan, that are applicable to Regular Full-Time Employees, with sick leave calculated retroactive to the date of hire. A Temporary Full-Time Employee shall be entitled to coverage in accordance with the Municipal Pension Plan rules.

Temporary Full-Time Employees shall be paid amount equal to six percent (6%) of their regular earnings each pay period which shall be considered to be in lieu of paid annual vacation. A Temporary Full-Time

When a previous Temporary Full-Time Employee is re-employed within six (6) months as a Temporary Full-Time Employee, the employee shall not have to re-serve the qualifying periods for any of the Medical, Extended Health, Dental, or Group Life Insurance benefits for which the employee had previously qualified. The employee shall be reinstated on the applicable benefits the first of the month following the date of rehire. Any benefits that the Temporary Full-Time Employee had not previously completed the qualifying period for shall be re-served in full.

Section 6.09 - Same Sex Benefit Coverage

An employee who co-habits with a person of the same sex, and who promotes such a person as a "spouse" (partner), and who has done so for a period of not less than twelve (12) months, will be eligible to have the person covered as a spouse for purposes of medical, extended health, and dental benefits.

Section 6.10 – Municipal Pension Plan

Employees shall be entitled to contribute to the Municipal Pension Plan in accordance with the Municipal Pension Plan Rules made under the authority of the Public Sector Pension Plans Act.

An employee who is enrolled in the Municipal Pension Plan shall continue to participate in the Plan regardless of a reduction in their hours of work or a change to their employment status. Contributions made by the City and the employee shall be made on the basis of the new hours worked, and are subject to the requirements of the Municipal Pension Plan Rules.

Section 6.11 – Family Illness

Where no one other than the employee can provide for the care of an immediate member of the employee's family (defined as spouse, child or parent) during an illness, an employee shall be entitled, after notifying the employee's immediate Supervisor, to use up to two (2) accumulated sick leave days per calendar year for this purpose. The use of sick leave days for family illness will affect the employee's payment under Section 6.05(b).

This provision is subject to the requirements regarding eligibility for EI Rebates and employees shall not be entitled to use accumulated sick leave days for family illness where such use will affect the eligibility for EI Rebates.

Section 7.04 - Absence Without Leave

Disciplinary action may be taken by the City against any employee who is absent without leave for a period of more than three (3) consecutive working days.

An employee who is absent without leave for a period of more than ten (10) working days, shall be dismissed and his/her employment with the City terminated. The grievance procedure under Section 4.01 hereof applies.

The flat rate percentage is intended to reflect City costs associated with vacation, general holidays, sick leave, workers' compensation, Canada Pension Plan, Employment Insurance, Group Life Insurance, Medical Services Plan, Extended Health, Dental, and Municipal Pension Plan. In the event the Union representative is a Casual or Regular Part-Time Employee receiving a percentage in lieu of benefits payment, the Union shall reimburse the City the same percentage as the employee is receiving. The Union shall then reimburse the City to the amount of the account rendered within thirty (30) days.
 - (f) Upon application to, and upon receiving the permission of the City in each specific case, up to two (2) official representatives of the Union may be granted leave of absence without loss of pay for the purpose of settling a grievance as outlined elsewhere in this Agreement.
 - (g) Upon application to, and upon receiving the permission of the City in each specific case, up to three (3) official representatives of the Union may be granted leave of absence without loss of pay for the purpose of collective bargaining with the City.
 - (h) It is understood that official representatives of the Union be granted leave of absence, without pay, to attend Union conventions or perform any other functions on behalf of the Union and its affiliates, provided not more than two (2) Union representatives shall be away at any one time. Such leave of absence shall not affect the employee's seniority and/or benefits contained in this Agreement. Any such leave of absence shall not exceed one (1) calendar month's time.

Section 7.06 - Payment of Pay Grade Increments

In all cases where an employee has been promoted or reclassified as to employment, payments of pay grade increments shall be made from the anniversary date of such promotion or reclassification, and not from the anniversary date of his/her employment by the City.

- (4) The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and ninety-five percent (95%) of their gross weekly earnings and is paid as follows:
 - (a) for the first six (6) weeks, which includes the two week Employment Insurance waiting period; and
 - (b) up to an additional eleven (11) weeks will be payable if an employee continues to receive Employment Insurance benefits and is unable to work due to a valid health reason related to the birth and provides the Employer with satisfactory medical evidence.

This adjustment is to be made for each working day or more that said employee is required to function either partly or wholly in the higher classification. In all cases of temporary appointment exceeding one working day, the employee shall be notified of the appointment in writing by his/her supervisor or the Chief Administrative Officer.

It is the policy of the City and the Union to co-operate in every practical way with employees who desire advancement to classifications covered under Section 1.01 of this Agreement. Accordingly, when an employee is appointed or requested by his/her supervisor to perform work on a temporary basis in a classification listed in Section 1.01 of the Agreement, he/she shall be paid while performing such work not less than fifty percent of the difference between his/her current rate and the rate of the temporary position listed in Section 1.01 of the Agreement. Notification given to an employee to work outside his/her regular working hours prior to the employee ceasing work for the day shall not constitute a call out.

(f) **Recreation Employees**

Recreation Employees shall not be covered by paragraphs (a), (b) and (c) and instead shall be paid for overtime as follows:

With respect to the Union request to travel to and from lunch facilities outside of the one-half hour lunch period it was agreed this request would be referred to Council for consideration as a "policy" rather than a collective agreement amendment.

Section 9.03 - Reporting for Work

It shall be the duty of all employees to report for work on each and every working day at the prescribed hours as set out in the hours of work schedule required to be posted in accordance with the Employment Standards Act.

Failure of employees to comply with the provisions of this clause will result in disciplinary action by the City, provided, however, that where an employee is unable to report personally, he/she will notify his/her

immediate non-bargaining unit supervisor or some other official of the City by telephone prior to the commencement of the working day, or as soon as possible thereafter.

Section 9.04 - Shift Differential

Demoted employees shall receive the rate of pay set out for the position to which they are demoted as from the date of demotion.

Section 10.04

(a) **Transfers Within the Bargaining Unit**

Transfers may be made within the City from one department to another without loss of seniority, on the following basis:

- (1) An employee may apply for transfer to the Chief Administrative Officer.
- (2) No employee shall be transferred without due regard to the seniority provisions of this Section of the Agreement.
- (3) Transferred employees names shall be placed on Department's seniority list in accordance with their length of service with the City.

(b) **Transfers Outside the Bargaining Unit**

No employee shall be transferred to a position outside the bargaining unit without his/her consent. If an employee is transferred to a position outside of the bargaining unit, he/she shall retain his/her seniority acquired at the date of leaving the unit, but shall not accumulate any further seniority. Bargaining unit employees transferred on a temporary basis shall accumulate seniority within the bargaining unit. Such an employee who later returns to the unit shall be placed in a job commensurate with his/her competency and seniority. Such return will not result in the layoff or bumping of an employee holding greater seniority.

Section 10.05 - Lay Off

The employee within each Department with the least service shall be the first laid off provided, however, that employees with special skills may be retained to fill classified positions requiring special skills regardless of length of service. It is agreed there are two departments in the City - one department shall consist of the inside employees and the other department shall consist of the outside employees.

- (l) It is also recognized that Department seniority is based upon length of service with the City.

-
- (2) It is further recognized that employees with a greater length of service with the City may be laid off from one Department while employees with less service with the City may be retained in another Department.
 - (3) In accordance with the foregoing, it is understood that the employee with the shorter length of City service in the Department in which the lay off occurs, shall be the first laid off.
 - (4) All employees shall receive at least ten (10) working days' notice of their layoffs or pay in lieu thereof, except those employees who have more than one (1) year of service with the City, who shall receive fifteen (15) working days' notice or pay in lieu thereof. If work is made available by the City, the affected employee must work those ten (10) or fifteen (15) working days of notice, whichever is applicable and if work is not made available by the City, the employee shall be paid in lieu of notice.

Section 10.06 - Service Severance Pay

- (a) A regular employee who has received written notice of lay-off shall, within five calendar days, elect to:
 - (1) Exercise his/her seniority rights for bumping purposes; or
 - (2) accept lay-off.
- (b) If the employee accepts lay-off, he/she shall, within 30 calendar days from the effective date of lay-off, elect to:
 - (1) either retain seniority rights of lay-off and recall; or
 - (2) accept severance pay.
- (c) Upon acceptance of severance pay all seniority rights and rights to recall under the agreement are terminated; or upon acceptance of retention of seniority rights of lay-off and recall all rights to severance pay under these provisions are terminated.
- (d) Entitlement to, and severance pay for each regular employee will be as follows:
 - (1) Three (3) days' pay for each calendar year of service up to and including five (5) calendar years of service.
 - (2) Five (5) days' pay for each calendar year of service after 6 years of service.
 - (3) The maximum number of days pay for severance will be 90 days' pay. Part time service shall be calculated on a pro-rata basis. Severance pay shall be based on the employee's rate of pay at the effective date of his or her termination.

Section 10.07 - Rehiring

Employees who have been laid off shall be recalled to work in the reverse order of their lay off; e.g. the last employee laid off shall be the first rehired; subject to the following conditions:

- (1) The employee shall be first rehired into the Department from which he/she was laid off and second, shall be afforded the first opportunity to work in any other Department, provided, however, that the employee is capable of performing the work which may be available.
- (2) It shall be the duty of all employees to notify the City, in writing, of any change of address.
- (3) In the event of recall, the City shall notify laid off employees by registered letter or by telegram forwarded to the last address furnished by the laid off employee. The employee shall notify the City of his/her intention to return to employment within seventy-two (72) hours of delivery of the notification and shall report for work within five (5) days of acceptance of his/her recall.

Section 10.08 - Retention of Seniority

Effective 2014 July 21:

It is agreed between the parties hereto that seniority of laid off employees shall be retained and accumulated on the following basis:

When an employee's regular job, temporarily or permanently ceases to exist, because of temporary conditions or because of permanent changes in work procedures, he/she shall be offered a position commensurate with his/her knowledge, ability and skills and seniority as per Article 10 of this Agreement. If he/she accepts the new position his/her rate of pay for the position to which he/she is transferred shall not come into effect for five (5) working days.

Section 10.12 - Part-Time Employees

Part time employees shall have preference to available work on the basis of seniority provided the employee has the required knowledge, abilities and skills.

ARTICLE 11 – POSTINGS AND PROMOTIONS

Section 11.01 – Postings

Vacancies and new positions covered by this Agreement shall be posted and remain posted for a period of five (5) working days prior to the filling of the vacancy or new position. The City will post all regular positions except Labourer I. It is agreed between the parties that should the necessity arise, the vacancy or new position can be filled by a temporary employee for a period not exceeding fifteen (15) working days, however, due to unusual circumstances, this period may be extended by mutual consent. Appointees from within the bargaining unit shall be made within four (4) weeks, wherever possible, of the job posting date.

Section 11.02 – Promotions

- (a) In making promotions the required knowledge, ability and skills for the position shall be the primary consideration, and where two or more employees are equally capable of filling the position, years of service with the City shall be the deciding factor.

Where a question of equality of capabilities arises, the senior employee shall be given the first opportunity to demonstrate his/her qualifications before any person is confirmed in the position to be filled.

-
- (b) The successful applicant shall be placed on evaluation/trial period for a period of three (3) months. Conditional on satisfactory service, such promotion shall become permanent after the period of three (3) months. In the event the successful applicant proves unsatisfactory during the aforementioned evaluation/trial period, or if the employee finds him/herself unable to perform the duties of the new job classification, he/she shall be returned to his/her former position without loss of seniority and at the wage applicable to such former position. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to his/her former position without loss of seniority and at such wage applicable to such former position.
