(hereinafter called the "Union")

OF THE SECOND PART

ARTICLE 1 COVERAGE

AND WHEREAS the Union is the duly certified bargaining authority for those employees of the City employed by the Fire Department at Port Moody, excepting:

The Fire Chief, Deputy Fire Chief, Assistant Fire Chief
Clerical workers and other office staff.

ARTICLE 2 UNION SECURITY

2.1 Union Dues

All employees covered by the Union Certificate of Bargaining Authority shall pay a monthly fee to the Union equal to the Union's monthly dues, such payment to be made by payroll deduction, provided membership in the Union remains on a voluntary basis and is not a condition of employment. This deduction shall become effective on the first day of the month coincident with or next following the date of appointment, but the deduction shall be made only if the employee is still in the employ of the City on the final day of the first pay period in that month. Deductions shall be made in respect of all subsequent months provided an employee works any part of the month. These arrangements shall remain in effect for so long as this Union remains the recognized bargaining authority.

2.2 Security Regarding Amalgamation

In the event the City Fire Department amalgamates with Coquitlam and/or Port Coquitlam or any other municipality, all employees of the Port Moody Fire Department, at the time of amalgamation will remain at the Port Moody Fire Hall. All employees will retain their positions and seniority. A transfer to another hall will be made only on request of the City and subsequent agreement to such a transfer by the employee. A transfer by an Employer of employees of Port Coquitlam and/or Coquitlam or any other municipality to the Port Moody Fire Hall will be made with the understanding that said employee(s)' seniority will be below that of the Port Moody Fireman who had the least amount of seniority at the time of amalgamation. It is understood and agreed that this Article 2, Section 2, shall terminate on and be of no affect for any period after 2021 December 31.

2.3 Amalgamation of Fire Departments/Agreement Binding on Successors and Assigns on Both Parties, Regardless of Changes in Management, Consolidation, Merger, Transfer, Annexation, and Location

In the event amalgamation of Fire Departments occur, this Agreement shall be binding upon the successors and assigns of the parties hereto, and no provisions, terms, or obligations herein contained shall be affected, modified, altered, or changed in any respect whatsoever by the consolidation, merger, annexation, transfer or assignment of either party hereto, or by any change geographically or otherwise in the location or place of business of either party hereto. It is understood and agreed that this Article 2, Section 3, shall terminate on and be of no affect for any period after 2021 December 31.

ARTICLE 3 REMUNERATION

- (a) New employees shall be considered to be on a probationary basis until the completion of twelve (12) months' satisfactory service. If such person continues in the same position on a permanent basis, seniority, holiday benefits and other perquisites referable to length of service shall date back to the original date of employment.
- (b) Where an employee is absent from work during their probationary period for a cumulative total of one (1) or more months the probationary period shall be extended by a period equal to the total time absent.
- (c) This probationary period shall be for the purpose of determining a person's suitability for permanent employment. At any time during this period employment may be terminated if it can be satisfactorily shown the employee is unsuitable for employment.
- (d) Suitability for employment will be decided on the basis of factors such as the employee's:
 - (i) quality of work;
 - (ii) ability to work harmoniously with others;
 - (iii) conduct;
 - (iv) ability to meet firefighting standards set by the City.

4.2 Promotional Policy

With regard to promotions, it is agreed that, other things being equal, effect shall be given to seniority.

4.3 Promotions to Higher Positions or Transfers

All appointments, promotions and transfers shall be on the basis of the first six (6) months being probationary. If, during the probationary period, the City decides the employee shall relinquish the new position, the employee shall have the privilege of reverting to the employee's former position without loss of seniority. Similarly, if the employee finds that they are unable to perform the duties of the new position, the employee shall so inform the City prior to the expiration of the six (6) month probationary period and the employee shall then relinquish the new position, but shall have the privilege of reverting to their former position without loss of seniority.

- (b) Employees are required to provide twelve (12) weeks' notice of their date of retirement or termination.

ARTICLE 5 HOURS OF WORK AND OVERTIME

5.1 Hours of Work

The hours of duty for employees covered by this Agreement are as follows:

- (a) The employees occupying positions set forth in Group 1 of the said Schedule "A" shall work an average of forty-two (42) hours per week.
- (b) The employees occupying positions set forth in Group 2 of the said Schedule "A", except for Training Captain, shall work a thirty-five (35) hour week. The employees occupying the position of Training Captain shall work an average of thirty-five (35) hours per week.

5.2 Extra Shifts

Where an employee agrees to work or is required by the City to work a shift or shifts in excess of their scheduled work week, the employee shall, at the option of the City, receive either an amount of time off equivalent to one and one-half (1½) times the number of such excess shifts or pay at the rate of one and one-half (1½) times the employee's regular hourly rate for such excess shifts; PROVIDED HOWEVER, that if an employee does not receive all of the time off earned by them under this Section 2 by December 31 of the year next following the year in which such time off was earned, the employee shall be paid in cash therefore based on the employee's regular rate of pay in effect on December 31 of the year next following the year in which such time off was earned.

5.3 Overtime

(a) Overtime Rates

An employee who is required to work overtime immediately following the completion of a regular shift shall be paid at one and one-half (1½) times the hourly rate of the employee for the first two hours and two (2) times the hourly rate of the employee for all overtime hours worked beyond two (2) hours, computed on the basis of the employee's normal working hours. When computing the payment of overtime of an employee under this Section, all time worked by such employee from the time the employee completes their regular shift until the employee returns (if the employee's duties required them to leave the regular place of work) to the employee's regular place of work (e.g., the Fire Hall at which the employee is stationed) and has been relieved of further duties, shall be deemed to be overtime.

(b) Callout

Except as provided in Article 5.2, an employee reporting for work on the call of the City at any time other than the employee's regular working hours shall be paid at the rate of two (2) times their regular rate of pay for the entire period spent at the employee's place of work in response to the call, with a minimum of three (3) hours at the rate of two (2) times their regular rate of pay.

- (c) Notwithstanding anything contained in Article 5.3 (b), an employee reporting for work on the call of the City on Christmas Day or Boxing Day, other than the employee's regular working hours, shall be paid at the rate of triple (3) times the employee's regular rate of pay for all hours worked during Christmas Day or Boxing Day in response to the call, and double (2) time thereafter, with a minimum of three (3) hours at the rate of triple (3) times the employee's regular rate of pay.

5.4 Calculation of Overtime

Overtime pay for all employees shall be computed on an hourly basis as follows:

$$\frac{\text{Monthly Rate} \times 12}{26.089} = \text{bi-weekly rate (rounded to 2 decimal places)}$$

$$\frac{\text{Bi-weekly Rate}}{\text{Bi-weekly Hours}} = \text{hourly rate (rounded to 4 decimal places)}$$

The figure 26.089 is derived as follows:

365¼ days (the average over four (4) years allowing for a leap year) divided by 14.

5.5 Extra Shifts - Training

Employees may be temporarily rescheduled from the two-platoon schedule to work straight day shifts (four (4) shifts = five (5) calendar days) in order to facilitate accommodation of training activities or the performance of special assignments. Eight (8) duty shifts' notice will be given to any employee being temporarily rescheduled from their shift to accommodate training.

Where an employee attends a training course outside of the employee's working hours and the training course is one that the Fire Chief requires the employee to attend, the employee shall be paid at the employee's regular hourly rate for the first two (2) shifts spent in such training in a calendar year and at one and one-half (1½) times the employee's regular hourly rate for all time spent in such training beyond the first two (2) shifts in a calendar year.

5.6 Meetings of an Administrative Nature

The Employer may require Platoon Captains to attend meetings of an administrative nature on an employee's regularly scheduled day off. An employee reporting to work to attend a meeting of an administrative nature shall be paid at the employee's regular rate of pay for the entire period spent at the

meeting, with a minimum of three (3) hours at the employee's regular hourly rate of pay. The Employer will provide at least three (3) weeks' notice of the meeting date. The Employer may schedule a maximum of three (3) meetings per calendar year pursuant to this Article.

Nothing contained in Article 5.6 shall be construed so as to interfere with the right of the Employer to require an employee to report for work pursuant to Articles 5.2 or 5.3 for the purpose of attending a meeting of an administrative nature, or of any other kind.

ARTICLE 6 VACATIONS AND STATUTORY HOLIDAYS

6.1 Entitlement

Paid annual vacations for all persons covered by this Agreement shall be allowed as follows:

- (a) Employees leaving the service in less than twelve (12) months from the date of appointment shall be granted vacation pay in accordance with the "Employment Standards Act".

All vacations shall commence on the first duty shift after the employee's days off.

- (b) In the first part calendar year of service, vacation will be granted on the basis of one-twelfth (1/12th) of eight (8) duty shifts for each month or portion of a month greater than one-half (½) worked by December 31st.
- (c) During the second (2nd) calendar year of service - eight (8) duty shifts.
- (d) During the third (3rd) up to and including the tenth (10th) calendar year of service - twelve (12) duty shifts.
- (e) During the eleventh (11th) up to and including the twenty-third (23rd) calendar year of service, except during the twenty-first (21st) calendar year of service – sixteen (16) duty shifts.
- (f) During the twenty-first (21st), twenty-fourth (24th) and all subsequent calendar years of service – twenty (20) duty shifts.
- (g) After the completion of twenty (20) years' service, sixteen (16) additional duty shifts will be granted as annual leave, to be taken before the completion of twenty-five (25) years of service, at the option of the employee, and that a similar allowance be made at the completion of twenty-five (25) years' service and each subsequent five (5) year period thereafter. PROVIDED HOWEVER, when an employee who is entitled to additional leave under this Article 6.1(g), elects to take such leave, the employee shall make application to the Fire Chief within thirty (30) calendar days following the date of publication of the annual vacation schedule for the employees by the Department, stating the period when the employee will be absent on leave; any application for additional leave may be amended or changed by the applicant within the prescribed thirty (30) calendar-day period; any application for additional leave or any application to amend or change any application for additional leave made following the expiration of the prescribed thirty (30) calendar-day period may be refused by the Fire Chief if, in the Chief's opinion, the exigencies of the Department necessitate such refusal, but such applications shall not be unreasonably refused by the Fire Chief.

Long service leave may be taken from January 1st in the calendar year in which the qualifying anniversary occurs, provided however, that if an employee exercises this privilege and fails to remain in employment with the City for any reason until the employee's anniversary date in that year, the employee must reimburse the City for the cost of the employee's long service leave.

- (h) Employees who leave the service after completion of twelve (12) consecutive months of employment shall receive vacation for the calendar year in which termination occurs on the basis of one-twelfth (1/12th) of their vacation entitlement for that year for each month or portion of a month greater than one-half (½) worked to the date of termination.

PROVIDED THAT:

- (i) "Calendar year", for the purposes of this Agreement, shall mean the twelve (12) month period from January 1st to December 31st, inclusive.
- (j) In all cases of termination of service for any reason, adjustment will be made for any overpayment of vacation.

6.2 Statutory Holidays

- (a) Those employees who are employed in the positions set forth in Group 1 of said Schedule "A" (which employees are hereinafter in this Article 6.2(a) and in Article 6.2(b) referred to as Group 1 employees) and who have completed twelve (12) months' continuous service by December 31st, shall receive in each calendar year, in lieu of twelve (12) general holidays, time equivalent to twelve (12) duty shifts.

An additional duty shift off shall be allowed for each other day declared to be a Public or Civic Holiday by Municipal, British Columbia Provincial or Federal Governments.

EXCEPT THAT:

- (i) All employees who are hired after January 1st in any calendar year shall receive time equivalent to each of the twelve (12) general holidays which occur during their period of service in the calendar year in which they commence their employment and such holidays shall be taken immediately after (and without any time intervening) the annual vacations referred to in Article 6.1; a fraction of a duty shift shall be calculated to the nearest whole number;
 - (ii) Employees who leave the service after completion of twelve (12) consecutive months of employment shall receive time equivalent to the allotted duty shifts in lieu of any statutory holiday entitlements to which they may have been otherwise entitled to for the calendar year in which termination occurs, on the basis of one-twelfth (1/12th) of their statutory holiday entitlement for that year for each month or portion of a month greater than one-half (½) worked to the date of termination.
- (b) If an employee whose duties normally require such employee to work on public holidays is required to work on any general holiday, then in addition to the holiday to which the employee is

entitled under Article 6.2, the employee shall be paid at the rate of fifty per centum (50%) of their regular rate of pay (calculated on an hourly basis) for each of the hours worked by the employee between the hours of 12:01 a.m. and 11:59 p.m. on such general holiday.

6.3 Lengthy Absence from Duty

Any employee absent from duty for a period of four (4) months or more due to sick leave or WCB, may at the option of the City, receive payment for all annual vacation and statutory holiday entitlement scheduled during such period of disability.

Every attempt will be made by the City to reschedule annual vacation and statutory holiday entitlement as soon as possible during the calendar year in which they were originally scheduled or prior to March 31 in the immediately following calendar year, provided the City shall not incur any overtime costs as a result of rescheduling the annual vacation and statutory holiday entitlement.

This clause does not apply to those employees retiring on pension.

ARTICLE 7 EMPLOYEE BENEFITS

7.1 Sick Leave

Employees shall be granted sick leave with pay of eighteen (18) working days per year, with any unused portions accruing in future years to a maximum of one (1) full calendar year of sick leave (i.e., 2,088 hours maximum), subject to the application hereinafter expressed:

- (a) Employees will be permitted up to twelve (12) hours to visit a doctor or dentist (specialists only) on the City's time for non-emergencies in any one (1) year. Appointments shall be confirmed in advance with the Department Head.
- (b) Sick leave shall be credited on January 1st of each calendar year.
- (c) Where an employee has completed the probation period but has less than one (1) year of service by December 31st of the calendar year in which the employee commenced employment with the City, the employee shall be credited with sick leave on a pro-rata basis, retroactive to the commencement of employment with the City. The accumulation would, as at December 31st of the then calendar year, be less any sick leave used during the period between completion of six (6) months of service and December 31st.
- (d) Employees with one (1) year or more of service as at December 31st of the then current year would receive annually a further credit of eighteen (18) working days on January 1st of the next following calendar year.
- (e) It is understood and agreed that, with reference to this Section and Subsection herein, no employee shall be entitled to more than eighteen (18) days' sick leave until the completion of one (1) year of service.

- (f) Sick pay and general holiday pay shall be paid at the employee's current rate of pay on the occasion of such sick pay or general holiday.
- (g) Present sick leave credits existing at the time of this Agreement shall be retained until used or until the accumulation provided by the Agreement exceeds the net remainder.
- (h) The City will supply to the Union, in the month of January in each year, an up-to-date list showing, with respect to each and every employee, the accrued unused sick leave accumulated to December 31st in the year immediately preceding.
- (i)
 - (i) The Union shall undertake responsibility for the first four (4) shifts of any non-occupational illness or injury. The Union's members will contribute a percentage of their base salary each month to a fund from which will be paid benefits for authorized sick leave absences equal to their regular base salary net of income tax deductions and pension (including supplementary pension) contributions. The amount of such contributions shall be determined by the Union.
 - (ii) Sick leave payments for any non-occupational illness or injury referred to in this Article 7.1(i) will be made by separate cheques drawn upon the Union Sick Leave Fund unless the City determines that there is a more convenient way of making the payments. In any event, the City will undertake responsibility for providing the data required for calculating such sick leave payments.
 - (iii) The City will make normal Employer contributions to the Municipal Pension Plan on behalf of employees who are on sick leave and are receiving benefits pursuant to paragraph (i) of this Article 7.1(i).

7.2 Medical Certificate

Effective 2021 July 13

An employee shall be required by the City to produce a certificate from a qualified Medical Practitioner for any illness and/or a Statutory Declaration, certifying that such employee is unable to carry out their duties due to illness or non-compensable accident, provided however, that the City may waive this requirement for the first four (4) days of such sickness or accident. Where such Medical Certificate and/or Declaration is not produced, there shall be no sick pay allowed.

7.3 Failure to Report

All employees must notify their Supervisor at least three (3) hours before the commencement of their shift of absence due to illness. Failure to do so may result in loss of pay.

7.4 Gratuities

(a) How Accumulated

- (i) A credit of the number of hours equivalent to three (3) duty shifts per annum shall be given for each year of service, or for part of a year a credit of hours equivalent to one (1)

day for each four (4) months of service, which may be accumulated to a lifetime maximum number of hours equivalent to one hundred twenty (120) duty shifts.

- (ii) For the period from 2020 January 01 to and including 2021 December 31, instead of being entitled to the benefits and subject to the conditions contained in Subsection (a)(i), each employee shall be credited with the number of hours equivalent to one (1) working day for each four (4) months. In addition, any employee who is not absent on sick leave at all during each of the calendar years 2020 to 2021 shall be entitled to the number of hours equivalent to one (1) additional day's credit, thereby making possible a total of the number of hours equivalent to four (4) working days' credit for each of the calendar years 2020 to 2021 in the event an employee is not absent on sick leave.

Commencing at 11:59 p.m. on 2021 December 31, the employees shall again be bound by the provisions of Article 7.4(a)(i) unless on or before 2022 March 31 the City and the Union agree in writing to reinstitute the provisions of Article 7.4(a)(ii) herein for a further period.

(b) Deduction

- (i) A deduction is made from the current year's gratuity credits for all hours absent on sick leave with pay, except that such deduction shall not exceed the number of hours equivalent to three (3) working days in any one (1) calendar year, or for any one (1) illness. The total gratuity credited to each employee at 31 December of each calendar year will remain to such employee's credit regardless of time lost in any subsequent year through illness or any other reason.

In circumstances where an injury is not covered by the Workers' Compensation Board solely because the employee is off work for less than the qualifying period, time off shall be considered as sick leave. For the purpose of this Article a deduction shall be made from the employee's accumulated sick leave credits but this deduction shall not affect the employee's gratuity benefits.

- (ii) For the period from 2020 January 01 to and including 2021 December 31, instead of being entitled to the benefits and subject to the conditions contained in Article 7.4(b)(i), deductions shall not exceed the number of hours equivalent to one (1) working day in any one (1) four-month period.

Commencing at 11:59 p.m. on 2021 December 31, the employees shall again be bound by the provisions of Article 7.4(b)(i), unless on or before 2022 March 31, the City and the Union agree in writing to reinstitute the provisions of Article 7.4(b)(ii) herein for a further period.

(c) Gratuity Leave

An employee who has completed not less than three (3) years of continuous service and is eligible for gratuity leave may be granted leave up to the number of gratuity hours that the employee has accumulated, PROVIDED HOWEVER THAT:

- (i) The minimum gratuity leave which shall be taken shall be the number of hours equivalent to four (4) duty shifts and the maximum leave shall be the number of hours equivalent to twenty (20) days. Only one period of gratuity leave may be taken in a calendar year.
 - (ii) Not more than one (1) employee may be absent on gratuity leave at any one time.
 - (iii) An employee's right to gratuity leave shall be subject at all times to the exigencies of the Department and to the discretion of the Fire Chief.
- (d) Payment in Cash
- (i) An employee or their estate (as the case may be) shall be entitled to payment in cash for gratuity hours accumulated in the event of normal retirement at minimum to maximum age, death in the service, or leaving the service of the City after completion of three (3) years' service.
 - (ii) An employee who has completed three (3) years' continuous service with the City may elect, prior to the end of any calendar year but subsequent to the completion of such service, to be paid in cash for the gratuity hours that the employee has accumulated up to and including the year in which such election is made, and the employee shall be paid therefore on a regular pay day following January 15 in the next following calendar year, such pay day to be chosen by the employee, which payment shall be computed on the basis of the employee's regular rate of pay in effect in that year.
 - (iii) An employee who terminates employment for any reason after completing not less than three (3) years of continuous service, shall be entitled to be paid in cash for all gratuity credits accumulated up to the date of the employee's termination of employment.
 - (iv) An employee's rate of pay is arrived at in accordance with the following calculations:
 Hourly rate: Divide bi-weekly rate by two times (2X) weekly hours.

7.5 Medical/E.H.B. and Dental Plans

Effective 2021 July 13, all new employees shall be enrolled in the Provincial Medical Services Plan upon hiring. Further all new employees, as a condition of continuing employment, shall become and remain a participant in the Extended Health Plan and Dental Plan effective the first day of the month following completion of six (6) months of service, and all other employees upon becoming a member in the foresaid plan must remain as participants. The costs of the premiums for the above-mentioned Plans in this Article 7.5 shall, in consideration of the plan outlined in Article 7.1(i), be borne entirely by the Employer.

The Extended Health Plan has an annual deductible of one hundred and twenty-five dollars (\$125.00) per person or family, a lifetime maximum of five million dollars (\$5,000,000.00) per person, and provides reimbursement for eligible expenses which includes coverage for:

- eye exams to a maximum payable of one hundred dollars (\$100.00) per person every twenty-four (24) months;
- vision care (eye glasses/contact lenses) to a maximum payable of four hundred dollars (\$400.00) per person in a twenty-four (24) month period;

- corrective eye surgery to a lifetime maximum of five hundred dollars (\$500.00) per eye per person;
- hearing aids to a maximum payable of five hundred dollars (\$500.00) per person in a five (5) calendar year period;
- paramedical services to a combined maximum payable of one thousand five hundred dollars (\$1,500.00) per person per calendar year;
- psychological services including registered clinical counsellors to a combined maximum payable of one thousand dollars (\$1,000.00) for employee and eligible dependents per calendar year period.

The Dental Plan coverage is as follows:

Plan "A" - one hundred percent (100%) Basic Services

Plan "B" - seventy-five percent (75%) Major Restorative Services

Plan "C" - sixty percent (60%) Orthodontics Services to a lifetime maximum of five thousand dollars (\$5,000.00) (per adult and dependent child as defined by the Plan).

The Employer has the sole responsibility for all aspects of the administration of the health and welfare benefit plans. Eligibility for coverage under the health and welfare plans, and the benefits and entitlements, are subject to the terms and conditions of the plan.

7.6 Group Life Insurance

- (a) All new employees shall be entitled to apply for Group Life Insurance coverage effective the date of hire. The costs of the premiums of the Group Life Insurance Plan in this Article 7.6 shall be borne entirely by the City.
- (b) The Group Life Insurance coverage for employees shall be calculated on the basis of \$1,000.00 of insurance for each \$1,000.00 of gross basic annual salary including service pay, which salary shall be computed to the next highest \$1,000.00.
- (c) The City will also, in consideration of the plan outlined in Article 7.1(i)(i), provide to all employees during the period when they have no vested interest in the Municipal Pension Plan, an additional amount of life insurance coverage equal to that which is provided under the current Group Life Plan.

7.7 Pension

Effective 2021 July 13
