THIS AGREEMENT BETWEEN:

THE CITY OF RICHMOND
(hereinafter called the "Employer")

OF THE FIRST PART

AND: **RICHMOND CIVIC EMPLOYEES' UNION, LOCAL 718**
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Employer is an employer within the meaning of the "Labour Relations Code" of British Columbia.

AND WHEREAS the Union is the sole bargaining authority for that group of employees known generally as "Inside Employees".

NOW THEREFORE this Agreement witnesseth that it is hereby agreed between the parties hereto as follows:

1. TERM OF AGREEMENT

1.1 This Agreement shall be for a term of four (4) years with effect from January 01, 2016 to December 31, 2019, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and, except with respect to changes to rates of pay made pursuant to the Job Evaluation Agreement between the parties et al., neither party shall make any change or alter the terms of this Agreement until

- (a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (b) The Employer can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

1.2 The operation of sub-sections (2) and (3) of Section 50 of the Labour Relations Code shall be specifically excluded from, and shall not be applicable to this Agreement.

2. UNION SECURITY

- (a) All present employees who are now members of the Union shall remain members of the Union. All persons employed shall become members of the Union by the pay period immediately following completion of thirty (30) calendar days of employment. All such employees shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union Dues that all other members of the Union are required to pay to the Union.
- (b) It is agreed that all employees covered by this Agreement shall pay an initiation fee and a bi-weekly fee to the Union equal to the Union's bi-weekly dues; such payment to be made by payroll deduction. Deductions shall be made in respect of all subsequent pay periods, provided the employee works any part of the pay period. The Human Resources Department of the Employer will acquire the signature of new employees on Union Application for Membership and Dues Deduction Authorization Cards at the same time as the employee signs the various Human Resources forms. These arrangements shall remain in effect for so long as the Union remains the recognized bargaining authority.

3. EMPLOYEE DEFINITIONS

A Regular Full-Time Employee is an employee who is employed on a full-time basis of thirty-five (35), thirty-seven and one half (37½), forty (40) or such other number of weekly hours as is recognized in the Collective Agreement as normal for a particular class of positions, for an indefinite period of time.

A Temporary Full-Time Employee is an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time (which may be extended or cut short by circumstances which could not be foreseen at the time of hiring).

Where Temporary Full-Time Employees are hired for a specific project and are advised at the time of being hired of the expected duration of the project, the Employer will notify the Union as soon as possible in the event circumstances subsequently arise which have the effect of terminating the project earlier than had been expected and announced.

A Regular Part-Time Employee is an employee who is employed on a regular part-time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time.

An Auxiliary Employee is any other employee.

4. REMUNERATION

- (a) The scale of remuneration set out in Schedule "A" shall apply during the term of this Agreement. The employer has discretion to place new employees at the appropriate step of the wage scale (Schedule A) for a position based on its sole assessment of the skills, knowledge, and ability the applicant brings to the position as of the date of hire.

Any changes in salary rates as outlined in Schedule "A", or changes in job classification, or, if it becomes necessary to engage an employee in a class not provided for in Schedule "A", the salary to be paid shall be determined in accordance with the procedure set forth in the Job Evaluation Agreement.

- (b) Pay days shall be every second Friday. In the event of a holiday falling on that day, the day previous to such holiday shall be the pay day. Employees shall be paid by direct deposit.
- (c) Individual pay adjustments arising from periodic increments, reclassifications, revaluations and promotions (but not acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment.

- (b) Subject to the provisions of paragraph (c), an employee other than a school student on a school day who commences work on the employee's scheduled shift, shall receive the regular hourly rate of pay for the entire period spent at the place of work, with a minimum of four (4) hours' pay at the regular hourly rate.
- (c) In any case where an employee (i) reports for their regular shift but refuses to commence work, or (ii) commences work but refuses to continue working, the employee shall not be entitled to receive the minimum payments set forth in paragraphs (a) and (b).

One (1) hour shall be allowed for lunch, with staggered office hours so that offices remain open during the full day, with a rest period of ten (10) minutes, morning and afternoon.

- (b) Where an employee is required to work a shift other than Monday to Friday, such shift shall be five (5) consecutive working days, followed by two (2) consecutive days off.

- (f) In the event, an employee is required to work a shift other than regular day shift and where less than fifteen (15) clear hours elapse prior to cessation of work on the regular day shift and the commencement of work on the special shift, or where less than fifteen (15) hours elapse between the ending of the special shift and commencement of work on the regular shift, then such employee shall be paid double time until the fifteen (15) hours have elapsed.

- (g) Where a shift other than regular day shift is instituted, the shift shall be not less than seven (7) hours nor more than eight (8) hours, whichever are the normal and usual hours the employee affected is employed, and shall be consecutive hours in a twenty-four (24) hour period following the commencement of such shift. Overtime rates shall apply when the employee works overtime within that twenty-four (24) hour period.

6. SHIFT PREMIUMS

- (a) Except as otherwise noted in the Agreement, all employees shall be paid a shift differential of one dollar (\$1.00) for those hours of a regular shift worked between the hours of 6:00 p.m. and 6:00 a.m.

7. OVERTIME

- (a) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid at overtime rates for all overtime worked:
- (i) immediately following the employee's regular shift;
 - (ii) immediately preceding the employee's regular shift consequent upon an oral or written notice given prior to the end of the employee's previous shift;
 - (iii) at any other time than at the times set forth in items (a)(i) or (a)(ii) of this Clause 7(a) consequent upon an oral or written notice given prior to the end of the employee's previous shift except as otherwise provided in Clause 13.
- (b) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid for overtime work at the following overtime rates:

7.1 Compensating Time Off

- (a) When employees are required to work overtime, they elect at the time of working such overtime, whether to be paid for it or to receive compensating time in lieu.

Notwithstanding the aforementioned, if any overtime payment is earned as a result of work performed for which the City has initiated a Provincial Emergency Program (PEP) task number, the employee must receive payment for such work. Should an actual PEP claim not be submitted or not be approved, a regular full-time employee may have the process reversed for that incident; that is, the employee must reimburse the City for the full amount of the overtime payment in exchange for compensating time in lieu. Reversal will occur only if written authorization of such action is provided to Payroll by the employee within the payroll period immediately

following the date notice is provided to the employee such claim has not been submitted or not approved.

- (b) An employee who elects to receive compensating time off, shall be credited with compensating time off equivalent to the number of hours which would have been paid for the overtime worked, and, subject to an employee's request to be granted compensating time off being approved by the employee's department head (or delegate), such employee shall be granted any portion of the compensating time off credit at the pay rate or rates in effect at the time the overtime in question was worked.
- (c) All compensating time off credited during a particular calendar year but which has not been granted to an employee by March 31st of the immediately following year shall be paid in cash at that time at the pay rate or rates in effect at the time the overtime in question was worked. An employee may request in January that all or part of their Compensating Time Off be paid in cash by February.

8. CALLOUT

- (a) Callout is to be defined as being called back to work at any time following completion of a Regular Full-Time Employee's or a Temporary Full-Time Employee's regular shift except when pre-scheduled by notice provided prior to the end of the employee's previous regular shift which is defined as overtime in Clause 7.
- (b) A Regular Full-Time Employee or Temporary Full-Time Employee who is called back to work shall be paid double time for the time actually worked plus one (1) hour's allowance for traveling to and from home, with a minimum of three (3) hours' pay at double the rate of pay. (The minimum includes one (1) hour for traveling time.)
- (c) If additional calls are made upon the Regular Full-Time Employee or Temporary Full-Time Employee prior to the expiry of the three (3) hour period or prior to arrival home, whichever last occurs, such additional calls shall not attract an additional three (3) hours minimum, but the employee shall be paid for the time actually worked plus an additional one (1) hour's allowance for traveling to and from home. If two separate callouts are completed within a three (3) hour period, the minimum payment shall be four (4) hours at double the rate of pay. (The minimum includes two (2) hours for traveling time.)
- (d) Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

- (e) Receipt of After-Hours Telephone Calls:
- (i) An employee who has been authorized by the Employer to receive a telephone call and/or a page while off duty, and is able to deal with the problem over the telephone or by computer and does not have to report to a worksite, the employee shall be paid one (1) hour pay at double the employee's regular rate of pay. Multiple telephone calls/pages within a one (1) hour period will be treated as one (1) event for the purpose of pay. Consecutive events lasting more than one (1) hour will be paid for actual time worked. An employee will not be eligible for this form of callout should a return to the worksite callout (Article 8(a) above) result from the issue being discussed. The Employer will produce a list of employees authorized to get calls while off duty and not on standby.
 - (ii) Notwithstanding Article 8 (e) (i) above, employees in receipt of stand-by pay as per Article 9 are eligible for this form of callout on a modified basis because of the expectation of problems to be relayed by telephone calls/pages. Employees who are able to deal with the problem over the telephone or by computer shall be paid one-half hour pay at double the employee's regular rate. Multiple telephone calls/pages within a one (1) hour period will be treated as one (1) event for the purpose of pay and consecutive events lasting more than one hour will be paid for actual time worked. An employee will not be eligible for this form of callout should a return to the worksite callout (Article 8(a) above) result from the issue being discussed.

9. STANDBY

- (a) Employees who are required to stand by between the end of the normal day shift on the first day of work in a week (excluding public holidays) until the beginning of normal day shift on the last day of work in a week shall be paid one hour's pay for each period of eight (8) hours standing by, in addition to callout pay as earned;
- (b) For all standby on public holidays, and weekends, one hour's pay for each period of six (6) hours standing by, in addition to callout pay as earned.

- (d) All standby will be paid for at the employee's regular straight time rate of pay.

10. MEAL BREAKS

- (a) Employees shall receive meal break provisions as follows:
- (i) During Overtime
Upon completion of two (2) continuous hours of overtime work immediately preceding or immediately following an employee's regular shift, the employee becomes entitled to a paid meal break of a one-half ($\frac{1}{2}$) hour which the Employer may permit to be started at any time within the two (2) hour period but, except in an emergency, no later than the end of two (2) hours.
 - (ii) During Callouts and Pre-Scheduled Overtime
Upon completion of three and one-half ($3\frac{1}{2}$) continuous hours of callout work or pre-scheduled overtime work, an employee becomes entitled to a paid meal break of a one-half ($\frac{1}{2}$) hour which the Employer may permit to be started at any time within the three and one-half ($3\frac{1}{2}$) hour period but, except in an emergency, no later than the end of the three and one-half ($3\frac{1}{2}$) hours.

- (b) For each meal break given to an employee under Clause 10(a)(i), (ii), or (iii) the employee shall be paid one-half ($\frac{1}{2}$) hour of pay at double the employee's regular rate of pay.
- (c) Where by reason of an emergency it is not feasible to give a meal break at the designated time under Clause 10(a)(i), (ii), or (iii), it shall be taken as soon as practicable and in addition the Employer shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal break.

- (i) Except as otherwise provided in Clause 13.1(a) with respect to public holidays falling on a Saturday or a Sunday, if an employee whose duties normally require the employee to work on public holidays, is required to work on any public holiday named in Clause 13.1 which falls on any day from Monday to Friday inclusive, then the employee shall be paid the employee's regular pay for the holiday and in addition thereto shall be given compensating time off equivalent to one and one-half (1½X) times the number of hours worked on the holiday.
- (ii) If an employee is required to work on the day off given in lieu of a public holiday, pursuant to the provisions of this Clause 13.1(g) herein, then in lieu of such holiday the employee shall be paid the employee's regular pay for the public holiday plus double the regular rates of pay for the hours worked on such day off. Time worked beyond the employee's normal daily hours on the day off given to the employee in lieu of a public holiday shall be treated as overtime. For the purpose of this Clause 13.1(g) a public holiday does not include a holiday designated by the Employer pursuant to Clause 13.1 unless the employee is entitled to that holiday with pay in lieu of a public holiday.

(h) Pay for Hours Worked on Public Holidays

The premium rate which is paid for hours worked on public holidays is not to be treated as an overtime premium but overtime rates will become applicable if work on a public holiday extends beyond the employee's normal daily hours. Hours worked which attract a premium payment under this provision are those hours which are worked between the hours of 00:00 and 24:00 on the applicable public holiday.

(i) Observation of Public Holidays

Whenever a public holiday falls on a Saturday or a Sunday and is observed on a weekday, that weekday shall be treated as the public holiday for purposes of attracting premium rates for employees whose duties normally require them to work on that day, and work performed on the Saturday or Sunday shall not attract public holiday premium rates. However, if prior to the beginning of any calendar year the Employer and the Union agree to recognize the Saturday or the Sunday as the premium day for those employees whose duties normally require them to work on public holidays, they may do so, but there may only be one premium day for such employees with respect to any one public holiday.

- (j) An employee (except an employee governed by Clause 13.1(g)), who is required to work on a public holiday defined in Clause 13.1, which falls on or is observed on any day from Monday to Friday inclusive shall be paid their regular pay for the said holiday plus double the hourly rate of pay of the employee computed on the basis of the employee's normal working hours for the hours worked on the holiday.

Upon retirement from duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which their former position was allocated and for which "the employee" is qualified if any position within such class is held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall be entitled to return to any other vacant position for which the employee is qualified.

Federation of Labour or the Canadian Labour Congress shall be granted leave of absence without pay and shall not lose seniority in the service of the Employer while on such leave of absence. This will also apply to any employee hired temporarily by the aforementioned labour organizations for a period of not less than six (6) months nor more than two (2) years in duration. Upon termination of such period of office, such an employee may return to the first vacant position for which the employee is qualified in the service of the Employer.
- (h) The Union shall provide the Employer with a list of its elected officers, job stewards, and any other official representatives. This list shall be kept current by the Union at all times.

 - (ii) in the case of the death of any other relative if living in the employee's household.
 - (iii) Should an employee require time off as a result of the death of a family member not listed in this Article, the Department Head or delegate will give consideration to an employee's request on short notice to utilize earned vacation or other time banks for a duration of paid time off not to exceed three (3) working days or other such period as may be deemed appropriate in the circumstances. Such consideration will take into account operational considerations, but will not be unreasonably withheld.

Note: Regular Part-Time Employees are eligible for Family Leave in accordance with Schedule "B", paragraph 2(c)(4).

To assist in the scheduling of work assignments, each employee should provide as much notice as possible to the Department Head or delegate prior to taking Family Leave. It is recognized however, that the exercise of Family Leave may not allow the employee sufficient time to provide much notice of impending absence. Therefore it is a requirement that each employee establish contact with their Department Head or delegate at the start of each day of Family Leave taken. If a Department Head or delegate is not satisfied that Family Leave has been used for the express purpose for which it is intended, the employee may be asked to substantiate such use.

The Board of Arbitration shall consist of one nominee appointed by the Employer and one appointed by the Union. These two nominees shall name a third member who shall be Chair.

Should the nominees fail to select a Chair within ten (10) calendar days, then either party to the Agreement may apply to the Minister of Labour for the Province of British Columbia to appoint such third member. Each party shall pay the expenses of their nominee and shall pay half the expenses of the Chair.

Within ten (10) calendar days following the establishment of the Board of Arbitration, it shall report its decision on the grievance. The majority decision of the Board shall be final and binding on the parties.

By mutual agreement the Employer and the Union may appoint a single arbitrator in place of the Board of Arbitration. The decision of the single arbitrator shall be final and binding on both parties. Each party shall pay half the expenses of the single arbitrator.

(e) Time Limits

The above time limits may be extended by mutual agreement of the Employer and the Union.

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board constituted under Clause 17 of this Agreement, by-passing all other steps in the Grievance Procedure.

The Arbitration Board shall decide whether or not the Employer has introduced or intends to introduce a Technological Change, and upon deciding that the Employer has or intends to introduce a Technological Change, the Arbitration Board:

- (a) shall inform the Minister of Labour of its findings; and
- (b) may then or later make any one or more of the following orders:

SCHEDULE "B"**Regular Part-Time And Auxiliary Employees**1. **Auxiliary Seniority Pool**

A Seniority Pool has been established for Auxiliary Employees. Access to the Auxiliary Seniority Pool shall be extended to all Auxiliary Employees as follows:

- (a) As soon as an Auxiliary Employee has worked twelve hundred (1200) hours within two (2) consecutive calendar years, such employee will gain entry onto the Auxiliary Seniority List in their section and will be deemed to possess seniority.
- (b) Upon gaining entry onto the Auxiliary Seniority List, an employee will be credited with the number of hours worked.
- (c) An Auxiliary Employee's seniority will be lost as a result of a break in service with the Employer which exceeds twelve calendar months. In-service hours are not considered as hours worked for purpose of seniority calculation.
- (d) Where pay ranges exist, eligibility for advancement from one step to the next (increment) shall be based on the number of hours served by a Regular Full-Time Employee for such eligibility.
- (e) In the event of a layoff of Auxiliary Employees within a class (whether the layoff takes place within a program, a geographical area or across the entire bargaining unit) those employees having greatest seniority within the class shall be the last ones laid off.
- (f) Other than as might be provided for pursuant to the terms of paragraph 1(i) herein, no Auxiliary Employee shall have the right to bump another employee after having been laid off.
- (g) An Auxiliary Employee having class seniority, and having been laid off, must, if they wish to be considered for future Auxiliary employment, elect to register with the Employer for future Auxiliary employment in which case the employee will be given preference in hiring for future vacancies within various classes on the basis of class seniority.
- (h) Registration for future Auxiliary employment will be made upon a standard form which will be signed and dated by the applicant and which will state the classes within which the applicant would be willing to accept a position. The completed form will be signed and dated by an authorized representative of the Employer, and both the applicant and the Union will be provided with a copy by way of receipt.

SCHEDULE "B" (cont'd)

- (i) When an Auxiliary Employee who has attained class seniority, who has been laid off and who has registered for future Auxiliary employment, also registers their desire to be taken into consideration for Auxiliary work in a class for which the employee does not possess class seniority, the employee shall be taken into consideration for appointment to a position within such new class on the basis of their skills, knowledge and ability, and in any case where there is no registered applicant possessing seniority in the new class in question, and where their skills, knowledge and ability are sufficient so as to render the employee qualified, then:
 - (i) if the Auxiliary Employee is the only registered and qualified applicant, the employee shall be appointed to the said position.
 - (ii) if the Auxiliary Employee is one of several registered and qualified applicants, the appointment to the said position shall be based on their relative skills, knowledge and ability, and if their skills, knowledge and ability are considered to be equal, then the registered and qualified applicant possessing the greatest total Auxiliary seniority with the Employer shall be appointed.

2. Benefits and % in Lieu of Benefits

NOTE: Headings in this Paragraph 2 have been added to improve readability and are not to change the intent of the language as negotiated without these headings.

Auxiliary Employees

- (a) Auxiliary Employees shall be paid an amount equal to twelve percent (12%) of their regular earnings which premium payment shall be considered to be in lieu of all employee benefits including those providing for time off with pay, provided however, that those Auxiliary Employees who have gained entry onto the Auxiliary Seniority list shall have such pay in lieu of benefits increased to sixteen percent (16%) of their regular earnings.
- (b) No other benefits shall be provided to Auxiliary Employees unless expressly stated in this paragraph 2.

Regular Part-Time Employees

- (c) (1) A Regular Part-Time Employee who occupies a position with a regular schedule of core hours each week equal to or greater than twenty (20) hours shall receive the following benefits:
 - (i) a payment of ten percent (10%) of regular earnings in lieu of vacation and public holiday pay;
 - (ii) Medical, Extended Health, Group Life and Dental on the same basis as full-time employees except the eligibility periods shall be six (6)

SCHEDULE "B" (cont'd)

calendar months; the Employer shall pay their contractual portion of the premiums for Extended Health, Group Life, and Dental, and the employee shall pay one hundred percent (100%) of the premium for Medical;

- (iii) sick leave coverage on a prorated basis (including a proration of the maximum sick leave accumulation), calculated on the same proportionate basis as the Regular Part-Time Employee's weekly schedule of core hours bears to the full-time hours for that class of positions; Regular Part-Time Employees shall qualify after the same eligibility period applicable to full-time employees except it shall be calendar months for Regular Part-Time Employees; and
- (iv) WCB coverage on an approximate net pay basis after completion of six (6) calendar months of employment.

- (2) Where a Regular Part-Time Employee's core hours are increased such that the employee qualifies for the benefits in paragraph (1), the employee's current service shall count towards the benefit eligibility periods.

Where a Regular Part-Time Employee's core hours are reduced such that the employee no longer qualifies for the benefits in paragraph (1), the benefit coverage will cease at the end of the month in which the hours are reduced and the employee shall be paid a percentage in lieu of benefits pursuant to paragraph (3) commencing on the first of the month following the expiry of the benefit coverage.

- (3) All Regular Part-Time Employees not covered by paragraph (1) shall be paid an amount equal to twelve percent (12%) of their regular earnings which premium payment shall be considered to be in lieu of all employee benefits, including those providing for time off with pay, provided however, that those Regular Part-Time Employees who have worked the equivalent of six (6) months shall have such pay in lieu of benefits increased to sixteen percent (16%) of their regular earnings and shall be eligible for the benefits contained in paragraph (4) below.
- (4) Upon the completion of six (6) calendar months of employment, all Regular Part-Time Employees shall also be entitled on a prorated basis to the same Bereavement Leave, Family Leave and Jury Duty/Crown Witness Leave and on a full basis to the same Maternity Leave and Parental Leave to which Regular Full-Time Employees are entitled, provided that a Regular Part-Time Employee shall not be paid the ten percent (10%), twelve percent (12%), or sixteen percent (16%) of regular earnings when on unpaid leave of absence.
- (5) No other benefits shall be provided to Regular Part-Time Employees unless expressly stated in this Clause.

SCHEDULE "B" (cont'd)Auxiliary & Regular Part-Time Employees – Statutory Holidays

- (d) Auxiliary and Regular Part-Time Employees who have been employed for at least thirty (30) calendar days before a statutory holiday and have worked their last scheduled day preceding and their first scheduled day following the statutory holiday will receive pay at one and one-half (1½) times their regular wage for hours worked on the statutory holiday. Employees will be paid at normal overtime rates for any hours worked in excess of normal daily or weekly hours on the statutory holiday. An employee who does not work on a public holiday will not receive any pay or compensating time off in lieu of the holiday.

Auxiliary & Regular Part-Time Employees – Hours of Work and Overtime

- (e) Normal daily and weekly hours shall be deemed to be eight (8) and forty (40) respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a position normally occupied by a Full-Time Employee whose normal hours shall be deemed to be the normal hours of the Auxiliary Employee.
- (f) For purposes of applying overtime rates, normal daily and weekly hours for all Regular Part-Time Employees shall be deemed to be those of a Regular Full-Time Employee whose position is similarly classified.
- (g) (1) Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a seven (7) day week basis, shall be permitted to work at straight-time rates for up to eight (8) hours per day on any five (5) days during a work week (which for the purposes of this Clause shall be deemed to commence at 12:01 a.m. on Saturday morning and to end at 11:59 p.m. on the immediately following Friday).
- (2) Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a six (6) day week basis, shall be permitted to work at straight-time rates for up to eight (8) hours per day on any five (5) days during the six (6) day week as defined in the Collective Agreement.
- (h) None of the negotiated provisions in the 1977 Collective Agreements permitting employees to work other than the normal work week, shall be disturbed by the provisions of paragraph (g) herein.
- (i) Overtime rates will be paid on the following basis to all Auxiliary and Regular Part-Time Employees:
- (1) Time and one-half for the first four (4) hours worked in excess of the normal daily hours in a day;

SCHEDULE "B" (cont'd)

- (2) Two times for hours worked beyond four (4) in excess of the normal daily hours in a day;
- (3) With respect to employees of the City of Richmond, in any case where an employee has already performed work on five (5) days during the week, two times for any hours worked on the sixth and seventh days of work in that week.

Auxiliary Employees – Shift Differential

- (j) No shift differential premiums will be paid to Auxiliary Employees unless they are relieving Full-Time Employees on shifts that would otherwise carry such premiums.

3. Employee Status – Conversion Process

The Parties agree to a system of review to determine, on a case by case basis, whether or not certain positions should be converted from Auxiliary status to Regular Full-Time status or Regular Part-Time status under the following terms.

The parties will meet every six (6) months to jointly review:

- (a) The hours worked by Auxiliary employees;
- (b) The historical work pattern of affected employees;
- (c) The reasonable predictability of the future employment.

In the event of agreement between the parties that a position should be converted, the Employer will approach Council to obtain necessary approval. If Council rejects the request for conversion, or there is no agreement of the parties, the Union may proceed with the grievance procedure.

SCHEDULE "C"**Compressed Work Week Formula**

With respect to the Unions' proposal in 1977 for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and, if so, to what extent compressed work weeks should be introduced into the operation of any of the Employers, should be made in local discussions between individual Employers and their respective Local Unions. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "A" which is attached to this Schedule "C".

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

APPENDIX "A"

Principles Governing the Conversion of Employee Fringe Benefits
in Cases of Introduction or Renewal of Compressed Work Weeks

This is the Appendix referred to in
Schedule "C" (Compressed Work Week Formula)

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as $260.89 \times$ daily working hours as per the 5-day week; e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
2. Basic annual public holiday hours shall be calculated as $11 \times$ daily hours as per the 5-day week; e.g. $11 \times 7 = 77$, or $11 \times 7.5 = 82.5$.
3. Account shall be taken of the difference in basic annual rest period allowances; e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any Clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting senior capacity where the employee has been temporarily

APPENDIX "A" to SCHEDULE "C" (cont'd)

required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.

8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
 - (b) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five (5) days in the immediately preceding week.
 - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "A"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
10. In the event any Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee fringe benefits.

SCHEDULE "D"**Regular and Supplementary Vacations Table**

In each cell of the following table, the number of regular annual vacation days is identified on the left and the number of supplementary vacation days to be credited in the calendar year is on the right. In both cases, the crediting of the identified number of working days is based upon the normal five (5) day work week.

The supplementary vacation days credited must be taken within five years, prior to the next five (5) days being credited.

As vacation entitlement is prorated in the first year of employment based on each employee's start date, the entitlement in the first calendar year of service is not identified in the table.

Example:

An employee hired in 2007 is in their 11th calendar year during 2017.

The employee in 2017 will be credited with five (5) supplementary working days which may be taken at any time between 2017 and 2021, both years included.

In 2022 the employee will be credited with a further five (5) supplementary working days, etc.

SCHEDULE "E"**Employment Standards Act Principles**

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

1. That, except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work between each week. Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
2. That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
3. The eating period provided under the "Hours of Work" provision of the Agreement shall be scheduled so as to prevent an employee from working more than five (5) consecutive hours without an eating period. Regular Part-Time and Auxiliary Employees shall not work more than five (5) consecutive hours without an unpaid eating period.

SCHEDULE "F"

Auxiliary Instructor/Lifeguard Priority Scheduling

Effective September 12, 2017:

1. The scheduling of Instructor/Lifeguards falls into six scheduling periods: four longer seasonal periods and two shorter periods matching the Richmond School District's spring and winter school breaks. Scheduling at the outset of each period is based on operational needs and shifts for each period are assigned for all aquatic facilities at the same time in the following order:
 - (a) Regular Part-time Instructor/Lifeguards requesting additional hours will be assigned shifts before any Auxiliary Instructor/Lifeguards.
 - (b) Auxiliary Instructor/Lifeguards on the Priority Scheduling List will be assigned shifts in decreasing order of their placement on the list in accordance with the qualifications required for the shifts and the employee's availability.
 - (c) Other Auxiliary Instructor/Lifeguards shall be assigned any remaining shifts.

Once the shift assignments are concluded for the scheduling period, the Priority Scheduling List does not apply to staffing changes required for the remainder of the scheduling period.

2. In order to be scheduled for shifts, Instructor/Lifeguards must have their current award status on file for all required certifications and have completed the most recent in-service training (unless the absence was approved by the Manager), and have submitted their availability.
3. For the purposes of assigning shifts to Instructor/Lifeguards, in addition to operational needs and the requirements outlined in 2, above, Supervisors will consider Instructor/Lifeguard qualifications to identify eligibility for individual shifts, including previous experience with a particular group (children, seniors, etc.) or set of instructional classes, rentals, special events, specific gender needs, specific training needs, Junior Instructor/Lifeguard ratio, and like considerations. Shifts will only be assigned to those possessing the required qualifications.
4. An "Auxiliary Instructor/Lifeguard Priority Scheduling List" will be created four times per year, to correspond with the larger seasonal scheduling periods identified above. Separate lists will not be created for the two shorter scheduling periods.
 - (a) To be included initially on this list, 1,200 Instructor/Lifeguard hours must be worked in the twenty-four (24) calendar months prior to the creation of the priority scheduling list.
 - (b) Anyone who does not meet the following requirements will not remain on the List:
 - (i) Minimum Hours: 400 Instructor/Lifeguard hours must be worked in the prior twelve (12) months.

- (ii) Minimum Availability: Submitted availability for two (2) of the four large scheduling periods in the prior twelve (12) months must include at least two days per week that match operational shift needs. Employees are not required to make themselves available for the two shorter scheduling periods. Employees on a Leave of Absence approved by the Employer are not required to make themselves available during the leave.
 - (iii) No Excessive Cancellations: Employees with excessive unapproved leaves or cancellations in the prior scheduling period will first receive a warning and if excessive in another scheduling period they will be removed from the List.
 - (c) If removed from the Priority Scheduling List for any of the reasons above, work remains available as an Auxiliary Instructor/Lifeguard without priority scheduling. To be reinstated on the list, the initial eligibility requirements [set out in 4(a) above] must again be satisfied.
5. All disputes regarding this Letter of Agreement will be first dealt with by a meeting of the Manager with a Union Steward or Officer and a Manager, Human Resources (or designate). Failure to resolve the issue within a timeframe as mutually agreed by the Parties for the issue in question may result in initiation of the grievance procedure as outlined in the Collective Agreement.

EDUCATIONAL SUPPORT PROGRAMS

The purpose of this Letter of Agreement is to establish the conditions and salary rate process for students hired under a formal program supporting education/learning between recognized educational institutions and the City of Richmond.

It must be noted and emphasized this letter of agreement does not apply to students hired into Auxiliary, Temporary or Regular positions. Students hired into those positions to carry out the principal duties of a position shall be classified accordingly and paid according to the rate established for that position.

These educational support programs will be restricted to persons registered in a recognized co-operative, work experience, practicum, directed work studies, or other similar education programs at a participating post-secondary institution. Selection methods will be determined by the Human Resources Department in co-ordination with the procedures of the participating post-secondary institution. The length of appointment for students under this article will correspond to the requirement of their academic program. Employees hired under an educational support program shall be assigned work that augments their field of study.

The educational support programs will be administered by the Human Resources Department in concert with the employing department(s). No more than two such students will be employed in any one Department; exceptions to this principle require advance discussion and mutual agreement of the Union. CUPE 718 is to be kept informed of any employment under such education/learning programs via Labour-Management meetings and any issues arising from or amendments to this LOA will be discussed and resolved in that forum.

These students will be classified as Auxiliary or Temporary Full-time (TFT) dependent on their hours of work. No educational support program students will be employed where it would result in a layoff or failure to recall a qualified employee.

Students participating in this program will be paid from any defined step within pay bands 6 to 8 as determined by the employing department and Human Resources. Should a candidate's current educational level and/or past work experience suggest a supplement to the base level of compensation defined herein, the City will document its rationale and discuss same at Labour Management; Union agreement will be required for any compensation outside of pay bands 6-8.

The City and Union agree that employment of educational support program students is in part subject to the terms and conditions of the supporting educational institution as well as the Collective Agreement. Human Resources will document those conditions of employment in any letters of acceptance to successful students and provide the Union with a copy. Any concerns will be dealt with at Labour-Management Meetings.

This Letter of Agreement will remain in effect for the following term: January 1, 2012 to December 31, 2015. Termination of this Letter of Agreement may be initiated by either Party providing 60 days written notice prior to the above-noted expiry date. Failure to provide written notice will mean continuance of this Letter of Agreement for the same period as the current Collective Agreement with renewal, amendment or termination being an issue for discussion at collective bargaining.

Letter of Agreement #5

City of Richmond and CUPE Local 718

HOURS OF WORK – ADJUSTMENT OF HOURS

1. Informal Adjustment of Hours by Mutual Consent:

A Manager and an employee may, by mutual agreement, vary the employee's regular hours of work during the work day. In the absence of a pre-determined fixed period, the arrangement may continue for as long as the Manager and the employee continue to consent to the original agreement. Any such variation in the hours of work shall not establish a precedent. The Manager, the employee or the Union may cancel the arrangement on thirty (30) days written notice inclusive of the reasons for so doing.

Prior to any change in an employee's scheduled hours of work (establishing/amending a change or termination of change), the Union shall be notified of such arrangement in writing through Human Resources. This notification will include the rationale for the proposed change.

An employee shall not be eligible for additional premiums where an employee initiates a change which would qualify the employee for additional premiums. An employee shall be eligible for additional premiums where the Employer initiated the change which would qualify the employee for additional premiums.

The Employer and the Union mutually agree that where an employee requires a change in hours of work due to family care requirements (i.e. childcare, parental care, spousal/partner care), both Parties and the employee will work together in an attempt to fashion an agreeable solution. It is recognized that the final decision will rest solely with the Employer, however such change will not be unreasonably withheld.

Decisions re hours of work under this provision will be reflected in the Labour Management meeting minutes as well as the ongoing listing of Special Adjustments.

2. Administrative Process Defined

To develop an objective administrative process, the Parties agree to incorporate the previous Collective Agreement Articles and Letters of Agreement identified below (from the 2007-2011 Collective Agreement) into an updated documented listing of Special Adjustments to be administered via the Labour-Management Committee.

- i) Article 5 (h) Computer Services
- ii) Article 5 (i) Miscellaneous Shift Adjustments
- iii) Article 5 (j) re "blocking system"
- iv) Letter of Agreement 2 – Flexible Blocking System – Parks and Recreation
- v) Letter of Agreement 3 – Flexible Blocking System – Special Projects
- vi) Letter of Agreement 9 – Flexible Blocking System – RCMP Crime Prevention/Victim Services.

NOTE: The introductory spreadsheet for documenting such information is provided to the Parties for further discussion, modification and improvement as required by the Parties. Should

the Parties be unable to agree to those requests for inclusion at this 2013 bargaining table, such requests will be referred to the Labour Management Committee.

The monthly Labour-Management Committee meeting will establish a standing agenda item for Hours of Work – Special Adjustments for the Employer and Union Executive to jointly and specifically review:

- i) Any outstanding requests by departments for conversion of positions from one system to another.
- ii) The actual hours being worked compared to the operational needs of the department for positions within the blocking system and those able to flex the whole shift.

The Employer and the Union will jointly maintain a current listing of all such positions jointly determined by the Parties to be eligible for such special shift adjustments as mutual consent, blocking, shift flexing or formal change. For each category of special adjustment, this listing will define the position by title, department and section, PCC #, effective date of authorized approval and by employee name – all of which is to be updated immediately should any change occur. Documentation is to be distributed at each monthly Labour-Management Committee meeting and any discrepancies dealt with in an expedited manner.

With the exception of all technical computer positions which are subject to Flex, classifications will not be designated (e.g. as “flex” or “blocking”) without the express agreement of both Parties with such designation agreement documented in the minutes of the Labour Management Committee meeting.

The overall purpose of this administrative process is to ensure both Parties have access to full and accurate information pertaining to any request for Special Adjustments to the provisions of Hours of Work before implementation or any further adjustments to be made after implementation. Departmental or employee requests for Special Adjustments must be fully documented through Human Resources and such material will be shared in full with the Union. Full discussion and disclosure is required to assess Special Adjustment requests. Requests for designation changes to/from regular hours as per this Letter of Agreement will not be unreasonably withheld by either Party. It is agreed the Labour-Management Committee meetings are the proper venue for Special Adjustment decisions.

3. Flexible Hours of Work Required by Employer

The Parties are in agreement that an “hours of work” designation system is required to reflect the operational needs of the workplace and that those needs may change over time.

Dependent upon operational need, employees in some positions may be required to adjust their stop and start times Monday to Friday inclusive. Employees may also be required to adjust their work week to include a Saturday and/or a Sunday. Hours are to be scheduled by mutual agreement between the employee and the supervisor by pay period at least 10 days in advance of the beginning of the schedule. Each pay period will be for seventy (70) hours over fourteen (14) days and may be:

- (a) “Flex” a flexing of the whole shift, or
- (b) “Flex Blocking”: a shift made up of a minimum of one (1) four-hour block and a maximum of three (3) four-hour blocks per day. After the initial four-hour block, the

blocking may be made up of either 2, 3.75 or 4 hour blocks. There will be a minimum of a thirty minute unpaid break between blocks.

- 1) Where there is no agreement, the Manager or designate shall set the schedule with a minimum of ten (10) calendar days' notice to the employee(s) in advance of the beginning of the schedule. Failure of both the employee(s) and the supervisor to agree to the hours is subject to review by another Manager (within the operating Division) chosen by the employee; this manager will decide on the particular schedule without interruption to the needs of the Employer.

Continuing failure of the participants to agree to such required schedules into following pay periods will result in the issue being referred to the Labour Management Committee for hearing and review. Both Parties agree to the requirement of full disclosure of rationale, meaningful bargaining as required and that full participation and approval will not be unreasonably withheld by either Party.

In the event of a failure to resolve this issue of hours of work scheduling required by the Employer through the aforementioned process, the Parties agree that the question will be finally and conclusively settled under and by the Grievance Procedure of the Collective Agreement starting at Step 3.

- 2) Where employees flex their hours of work, Clause 5(f) will be waived.
- 3) Unscheduled hours that are worked are to be considered overtime and are subject to current contract provisions.
- 4) The Union shall be notified of such arrangement in writing through Human Resources and this decision will be reflected in the Labour Management Committee meeting minutes as well as the ongoing listing of Special Adjustments.

Letter of Agreement #6

City of Richmond and CUPE Local 718

USE OF SICK LEAVE FOR MEDICAL APPOINTMENTS

The Parties are in agreement that medical appointments may utilize accrued sick leave to ensure no loss of earnings for attendance at same, but wherever possible, the timing of such appointments are to be scheduled for an employee's compressed day or at times outside of normal working hours. If such scheduling is not possible, medical appointments are to be scheduled for the end or beginning of the work day, where possible, to minimize loss of working hours.

Should an employee be required to attend a medical appointment during the course of the normal work day, employees must ensure their supervisor is aware of the time needed for travel to and from such appointment. As it is not appropriate in most cases for employees to schedule a medical appointment and then take the remainder of the day as sick leave, supervisors are to be made aware of the anticipated return to work time of such requests to better enable workforce scheduling and appropriate time-keeping.
