THIS AGREEMENT made the First day of January, TWO THOUSAND AND SEVENTEEN (2017)

BETWEEN:

THE WEST VANCOUVER POLICE BOARD
(hereinafter called the "Board")

of the First Part

AND:

THE WEST VANCOUVER MUNICIPAL EMPLOYEES' ASSOCIATION
(hereinafter called the "Association")

of the Second Part

ARTICLE 1 – GENERAL

1.01 WHEREAS the Board approves and recognizes the Association as the sole bargaining agency on behalf of its Employees other than police officers and those Employees excluded under the Labour Relations Code of British Columbia, and excepting those certified under other bargaining units certified under said Code.

AND WHEREAS it is thought desirable that methods of bargaining and all matters pertaining to the working conditions of the Employee be drawn up in an Agreement, the following shall so apply:

1.02 Rights of Management

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to the intent of this Agreement shall continue in full force and effect for the duration of this Agreement, always provided that in the exercise of the aforementioned management rights there shall be no discrimination.

ARTICLE 2 – TERM OF AGREEMENT

2.01 This Agreement shall be effective for a four (4) year period from January 01, 2017, to and including December 31, 2020 and shall remain in full force and effect from year to year thereafter unless written notice of intent to terminate or amend the Agreement is given by either party in accordance with the time limits outlined in the *Labour Relations Code of British Columbia*.

2.02 It is agreed that Section 50(2) and (3) of the *Labour Relations Code of British Columbia* shall be specifically excluded from and shall not apply to this Collective Agreement.

- 2.03** If no agreement is reached at the expiration of this Agreement and negotiations are continued, this Agreement shall remain in force up to the time an agreement is reached or until negotiations are discontinued by either party.

ARTICLE 3 – ASSOCIATION SECURITY

- 3.01** It is agreed that Employees who are at present members of the Association shall remain so as a condition of employment. It is further agreed that Employees who are hereafter employed by the Board shall become members of the Association at the beginning of the bi-weekly pay period immediately following the Employees' first working day of employment and shall remain members of the Association as a condition of employment providing that no Employee shall be deprived of employment by reason of loss of Association membership for any reason other than failure to pay regular Association dues.

- 3.02** Provided that each Employee has signed an "Application For Association Membership" form and has signed a "Fees and Dues Authorization" form, and provided that such "Fees and Dues Authorization" form is not revoked in writing by the Employee, the Board will, commencing from the Employee's first working day of employment, deduct from the pay of each Employee covered by this Collective Agreement, all fees and regular dues as authorized by the Employee and as determined by the Association in accordance with its Constitution, and will transmit the total amount so deducted to the Association.

3.03 Members Acting in Exempt Positions

- (a) Any Employee who is appointed to temporarily accept the responsibilities and carry out the duties incident to an Exempt Staff position for a period of more than ten (10) consecutive working days shall be given a leave of absence in good standing from membership in the Association for the period of the temporary appointment so as to allow the Employee to fully execute the Exempt Staff duties.
- (b) No leave of absence will be required where the Employee is:
 - (i) Appointed to act for ten (10) consecutive working days or less, or
 - (ii) Required also to perform some or all of their regular classified bargaining unit duties.

ARTICLE 4 – DEFINITIONS

- 4.01** (a) A **Permanent Full-time Employee** is an Employee who is employed on a full-time basis of thirty-five (35) or thirty-seven and one-half (37½) hours per week for an indefinite period of time and who has completed six (6) months of satisfactory service in any established position, and Temporary Employees who have completed twelve (12) months of satisfactory continuous service but shall not include Permanent Part-time

and Casual Employees. The probation period for Permanent Full-time Employees shall be the first six (6) months of service.

- (b) A **Permanent Part-time Employee** is an Employee who is employed on a regular schedule of weekly hours which are less than those hours shown in (a) above but which are one of the following:
- (i) Twenty (20) hours or more per week for a classification established as being a thirty-five (35) hour per week position, or
 - (ii) Twenty-one and one-half (21½) hours or more per week for a classification established as a thirty-seven and one-half (37½) hour per week position.

Employees who have worked in either (i) or (ii) above for an indefinite period of time and who have completed a probationary period of the same duration as a Permanent Full-time Employee, consisting of satisfactory continuous service.

(c) **Probationary Employee**

The probation period for Permanent Full-time Employees shall be six (6) months.

- (d) A **Temporary Employee** is an Employee employed in a position or positions which are not established; provided that no Employee may remain a Temporary Employee after the expiration of eighteen (18) months continuous service or remain in a single position for twelve (12) months continuous service. Both the Employee and the Association will be advised in writing that the employment is temporary.
- (e) A **Replacement Temporary** is used to fill a need created by the extended absence of a permanent Employee. There is no vacant position created by these leave situations. It is recognized that in cases such as maternity leave or sick leave, prior knowledge of the length of absence or illness may not always be available. In the case of sick leave, a Permanent Employee may be released by their physician to return to work with very little, if any, prior notification to the parties.

Payment for the work is at the rate commensurate with the position assigned.

Collective Agreement provisions relating to permanency after twelve (12) or eighteen (18) months are not applicable to Replacement Temporary Employees.

- (f) An **Extended Term Temporary** is used for individuals hired for a term specific project that is known at the outset to be of greater than twelve (12) months duration. Examples discussed include new capital projects and other initiatives with estimated end dates, or where there is a need to hire an individual to provide a specific service for a term that goes beyond the existing "temporary Employee" category twelve (12) month time frame. "Extended Term Temporary" positions are not positions required for an indefinite period of time, and will be addressed on a case-by-case basis.

If the originally anticipated term date needs to be altered, it would be through consultation and concurrence of the parties.

Payment for the work is at the rate commensurate with the position assigned. Collective Agreement provisions relating to permanency after twelve (12) or eighteen (18) months are not applicable to Extended Term Temporary Employees.

- (g) A **Casual Employee** is any other Employee working less than the number of hours shown in 4.01(b). The Chief Constable is to ensure that the hours worked by the Casual Employee do not exceed the limits specified in 4.01(b); it being understood that no Casual Employee attains Permanent status by reason of working the equivalent of six (6) months in time for a position with a six (6) month probation period.

4.02 Probation

- (a) Where an Employee moves from Permanent Part-time status to Permanent Full-time status in the same position, in the same section/division, the Employee shall be given credit for the time served as a probationary Employee in the Permanent Part-time position as follows:
 - (i) If completed the full probation period for the Permanent Part-time position: Fifty percent (50%) of the probation period for the Permanent Full-time position shall be served.
 - (ii) If completed a portion of the probation period for the Permanent Part-time position: The probation period for the Permanent Full-time position will be reduced by the equivalent time served as a probationary Employee in the Permanent Part-time position, but in no case shall the probation period be less than fifty percent (50%) of the probation period for the Permanent Full-time position.
- (b) Where an Employee moves from Permanent Part-time status to Permanent Full-time status in a position in another section/division, or where an Employee moves from Permanent Part-time status to Permanent Full-time status in a different position within the same section/division, the Employee shall be required to complete the full probation period for the Permanent Full-time position they move into.

The term “position”, where used in this Section shall not mean “job classification”.

4.03 Chief Constable

“Chief Constable” means the Chief Constable of the West Vancouver Police Department and when applicable shall include their authorized delegate.

4.04 Department

“Department” means the West Vancouver Police Department.

4.05 Job Sharing

A job sharing arrangement refers to a specific written agreement setting out the names of the participants, the position to be shared, and the terms and conditions, consistent with the District’s Job Sharing Agreement. The written agreement shall be signed by the Chief Constable or designate, WVMEA, and the affected Employees.

4.06 Municipal Pension Plan

Municipal Pension Plan rules made under the Municipal Pension Plan Joint Trust Agreement pursuant to the authority of the *Public Sector Pension Plans Act* apply to the Employer and its Employees who participate in the Plan. This Plan is referred to as the Municipal Pension Plan in this Collective Agreement.

4.07 Re-retires

Re-retires refers to when an Employee retires from the Department and is subsequently re-hired by the Board, and then retires again from the Board.

4.08 OIC

OIC means “Officer in Charge of”.

ARTICLE 5 – REMUNERATION

5.01 (a) The scales of remuneration set out in Schedule “A” shall apply as specified during the term of this Agreement.

Increases over the life of the Agreement are in accordance with the following:

January 1, 2017	1.5%
January 1, 2018	2.0%
January 1, 2019	2.0%
2020	The hourly rates of pay change shall be the same as the first four (4) identical Municipal (Metro Vancouver) wage settlements (including effective dates) negotiated for the renewal of the 2016-2019 collective agreements.

Retroactive Pay

The parties agree that all individuals on active payroll at the point any retroactive payment for any 2017 and 2020 pay increase is to be paid out, will automatically receive any retroactivity due to them. Individuals who were of “permanent” employment status, but are no longer employed by the Board at the point of retroactive payment, will receive a letter from the District, informing them of the fact that they may be entitled to receive retroactive pay, and that they must complete and return a form to be enclosed with the letter, to action payment.

All other Employees no longer employed by the Board at the point of retroactive payment will be required to write to request retroactive payment but will not receive a letter from the District. The District will endeavor to remind these individuals at the point of their employment termination that it is their responsibility to follow up on and request retroactive payment in writing.

(b) Salaries listed in Schedule “A” are shown in hourly rates of pay.

(c) Overpayments and Underpayments Due to Administrative or Other Error

Where an Employee has been overpaid as a result of administrative or other error, the Board will reach an agreement with the individual to manage reasonable and timely repayment of the overage. Where the overpayment is over the amount of one hundred dollars (\$100) or where a group of Employees is involved, the Association will be informed. It is understood that there will be no interest charged on overpayments. Where the error is clearly obvious to the Employee, it is the responsibility of the Employee to inform the Employer of the error.

Where an Employee has been underpaid as a result of administrative or other error, the District will endeavour to correct the error in the pay period following becoming aware of the error.

5.02 A Permanent Part-time Employee shall be eligible to receive a step increment upon having completed the equivalent number of hours that a Permanent Full-time Employee in the same classification would work to receive a step increment.

5.03 Increments

(a) Pay Grade 10 through Pay Grade 14

Incumbents in such classifications shall, subject to the completion of satisfactory performance, receive six (6) month increments from Step 1 to Step 2 and from Step 2 to Step 3 of their respective pay grades. Increments from Step 3 to Step 4 and from Step 4 to Step 5 within the pay grade shall be on an annual basis from Step 3, subject to the completion of satisfactory performance.

(b) Pay Grade 15

Incumbents in such classifications shall, subject to the completion of satisfactory performance, receive a six (6) month increment from Step 1 to Step 2 of the pay grade. Increments through the remainder of the pay grade shall be on an annual basis from Step 2, subject to the completion of satisfactory performance.

(c) All Other Classifications

Except as shown in (a) and (b), all other classifications receive increments on an annual basis following the completion of satisfactory performance.

(d) Temporary Employees and Part-time Employees

Notwithstanding paragraphs (a), (b) and (c) above, shall receive increments upon the Temporary Employee or Part-time Employee working the equivalent number of hours that a Permanent Employee would work during a six (6) month period or a one (1) year period, as the case may be.

5.04 Pay for Acting in a Senior Capacity

When an Employee is appointed to temporarily accept the responsibilities and to carry out substantially all of the duties incident to a position which is senior to the position which they normally hold, they shall be paid for every day the duties of the senior position are carried out at the minimum rate in the scale for such senior position which represents an increase over their normal rate. Appointments to act in the higher position must be authorized in writing by the Chief Constable or designate.

If the acting appointment is known to be three (3) consecutive months or longer from the outset, any paid leave taken during the period will be paid at the higher rate. If the acting appointment becomes three (3) consecutive months or longer, paid leave from the three (3) months point onwards will be paid at the higher rate. This provision only applies to 5.04 Pay for Acting in a Senior Capacity, and does not include paid leave taken from an overtime bank.

5.05 First Aid Premiums

First Aid Premiums shall be established and paid to designated holders of WorkSafe-approved First Aid Certificates as follows:

Level 3 Ninety-five (95) cents per hour

Level 2 Eighty (80) cents per hour

Level 1 No premium

5.06 Biohazard Pay

An Employee who is required to clean up bodily fluids will receive a premium of two dollars (\$2.00) per hour for all hours worked in the performance of such duties.

5.07 Direct Deposit

All Employees receive their pay through Direct Deposit to their bank account. Employees are responsible for providing Payroll with current banking information and for keeping Payroll updated if any changes occur.

5.08 Market Adjustments

Where a classification has been identified by the Board as being behind market and/or such class has been difficult to recruit for or to retain Employees in, the Board may, after consultation with the Association, temporarily increase the rate of pay for the classification by up to two (2) pay grades (or its percentage equivalent). These temporary adjustments do not alter the rate of pay for the classifications in Schedule "A".

Such temporary increases will be reviewed by the Board annually on July 31st or such other date as mutually agreed between the parties. Upon such annual review, if the rate of pay for a classification is found to be above market then the rate of pay for the classification may be adjusted by the Board to reflect the new market conditions but in no case will the rate of pay be adjusted below the rate of pay shown in Schedule "A". Those Employees who would be adversely affected by such an adjustment shall remain at their current rate until such time as normal increments and/or general negotiated increases result in a rate that matches or exceeds the Employee's current rate, at which time Employees shall again become eligible for increments and subsequent general increases.

ARTICLE 6 – FILLING VACANCIES

See also Article 11.02.

6.01 Except as provided in Section 12.05 Recall, the Board agrees that before filling any position which has become vacant, and all new positions being created, or Temporary positions becoming Permanent, notice of such vacancy shall be posted in a conspicuous place in the Public Safety Building and in such other places as may be agreed upon for seven (7) days before such vacancy is filled. It is further agreed that the Board will forward a copy of all postings relative to this section to the Business Manager of the Association.

6.02 It is agreed that postings shall include the following statement:

"This posting does not list all the duties of the position, nor does it fully detail the required skills, knowledge and abilities, licences and certificates required of candidates. For details please refer to the Class Specification which is available for inspection in the Human Resources Department and on the Department Intranet."

ARTICLE 7 – BENEFITS

7.01 It is hereby agreed that the following Employee benefits will be continued for the term of this Agreement (see also Appendix 1):

(a) For all Employees except Permanent Full-time and Permanent Part-time Employees see Section 7.15.

(b) (i) **Permanent Full-time Employees**

All Permanent Full-time Employees will be eligible for benefits the first day of the month following their start date as a Permanent Employee. All Permanent Full-time Employees, and their spouse, including same-sex spouse, and dependents as defined by the applicable insurance carrier, shall be eligible to participate in benefits as described below.

(ii) **Permanent Part-time Employees With Less Than Three (3) Months Service**

All Permanent Part-time Employees who have worked less than three (3) months of continuous service shall be entitled to receive twelve percent (12%) of regular salary in lieu of benefits.

(iii) **Permanent Part-time Employees With Over Three (3) Months Service - Options**

Permanent Part-time Employees who have worked three (3) months of continuous service as a Part-time Employee and who regularly work twenty (20) or more hours per week, shall be provided with a one (1) time choice between receiving an additional percentage of regular salary in lieu of all benefits or actual benefits coverage as described below.

At the time a Permanent Part-time Employee is provided with the choice to remain on pay in lieu of benefits, or to commence benefit coverage, the Employee shall be advised that their decision of pay in lieu of benefits has to be made and communicated to the Director of Human Resources or their designate within five (5) working days of being given said choice. When the choice has been given to the Employee, but the Employee fails to advise the Director of Human Resources or their designate of the Employee's decision within the stated five (5) working days, they shall be deemed to have chosen pay in lieu, and shall be paid accordingly.

All Permanent Part-time Employees who have worked three (3) months, shall be entitled to the same Bereavement Leave, Pregnancy Leave, Adoption Leave and Jury-Witness Duty provisions to which Permanent Full-time Employees are entitled on a pro-rated basis, but if having opted for the percentage in lieu

of all other benefits, shall not be paid such percentage when on unpaid Leave of Absence.

Permanent Part-time Employees who opt for a percentage in lieu can enroll in the Municipal Pension Plan as per 7.07(c) once they reach the Pension Plan requirements.

(iv) **Permanent Part-time – With Benefits**

Permanent Part-time Employees who complete three (3) months continuous service and who opt for benefit coverage shall commence such coverage on the first (1st) day of the month immediately following the completion of three (3) months continuous service. The twelve percent (12%) of regular salary shall continue to be paid during the period between the completion of three (3) months continuous service and the commencement of benefit coverage. The Employee and their spouse, including same-sex spouse and dependents, as defined by the applicable insurance carrier, will be eligible for benefits.

In any case where an eligible Employee opts for benefits coverage, the Police Board will contribute its contractual portion of premiums pro-rated by the proportion of regular full-time weekly hours which the Permanent Part-time Employee normally works, and the Employee will be required to pay the balance of the premiums.

Where a Permanent Part-time Employee is assigned to work consistent additional hours in their position beyond what they normally work (their “master” hours) for a period that is known at the outset to be of at least three (3) months duration, their master will be changed to reflect the higher number of hours for the full period of the additional hours. Where a period of assigned consistent additional hours either comes or looks likely to become a period of at least three (3) months duration, the Employee’s master will be changed at that point to reflect the higher number of hours for the remaining period of the additional hours. The master will be changed back to the Employee’s normal Part-time hours once they have ceased to continue working the additional assigned hours. The purpose of this provision is to calculate the appropriate percentage the Board and the Employee pay and the adjusted benefits (e.g. bereavement, sick, banks, etc.) that the Employee becomes entitled to during periods of consistent additional assigned hours worked in the Employee’s permanent position.

7.02 Extended Health Benefit

- (a) Details of Plan coverage are available on the Department Intranet.
- (b) Deductible – the Extended Health Care Benefit annual deductible is one hundred dollars (\$100) per annum.

- (c) The lifetime maximum of the Plan is one million dollars (\$1,000,000).
- (d) Effective 2017 June 22, the Board's share of premiums for the Extended Health benefit shall be eighty-five percent (85%) with the Employee's share being fifteen percent (15%), or as per Section 7.01(b)(iv).
- (e) The Plan shall include the Vision Care Option to cover all eligible Employees. The Option will include laser eye surgery and provide a maximum payable benefit of four hundred dollars (\$400) per claimant claimable over a twenty-four (24) consecutive month period, subject to the provisions of the Plan. The Option will include prescription sunglasses.
- (f) Effective 2017 June 22, there shall be a twelve dollar (\$12.00) dispensing fee cap per prescription.

7.03 B.C. Medical Plan

The Board's share of premiums for those Employees participating in the Medical Plan shall be seventy-five percent (75%) and the Employee's share shall be twenty-five percent (25%), or as per Section 7.01(b)(iv).

7.04 Group Life Insurance

The Board's share of premiums for the Group Life Insurance benefit shall be sixty percent (60%) of the total premium and the Employee's share shall be forty percent (40%) of the premium, or as per Section 7.01(b)(iv).

Life insurance coverage shall be equivalent to twice one year's salary, excluding overtime, calculated to the nearest thousand dollars. The maximum coverage is two hundred and ten thousand dollars (\$210,000).

Age sixty-five (65) or over – Coverage terminates at age sixty-five (65).

7.05 Long-term Disability (LTD)

The Long-term Disability Plan provides protection against total loss of earnings due to health reasons. The Board's share of premiums shall be seventy-five percent (75%) and the Employee's share shall be twenty-five percent (25%), or as per Section 7.01(b)(iv).

The benefit shall be based on fifty percent (50%) of the Employee's salary or wage at the time absence commences, subject to the terms of the Policy.

Age sixty-five (65) or over – coverage and benefits terminate at age sixty-five (65).

7.06 Dental Plan

(a) The Board's share of premiums for the Dental Plan benefit shall be ninety percent (90%) and the Employee's share shall be ten percent (10%), or as per Section 7.01(b)(iv).

(b) The Dental Plan will provide:

Plan "A" – Eighty Percent (80%) repayment of the approved cost for basic services. Plan A includes nine (9) month visits for adults and six (6) month visits for children.

Plan "B" – Fifty Percent (50%) repayment of the approved cost for Prosthetics, Crowns and Bridges.

Plan "C" – Fifty Percent (50%) repayment of the approved cost for the orthodontics [up to a lifetime maximum of three thousand dollars (\$3,000)] per employee, employee's spouse or common-law partner, and dependent child.

7.07 Municipal Pension Plan

(a) Compulsory enrollment is required when a Permanent Full-time Employee who is age eighteen (18) or older reaches the earlier of:

(i) The date on which the Employee's probation period is successfully completed; or

(ii) The date on which the Employee completes twelve (12) months of continuous employment in a permanent position; or

(iii) The date the Employee is required to enroll under the rules of the Municipal Pension Plan, where this date is earlier than the date in (i) or (ii).

(b) Subject to Section 9(i) of the *Public Sector Pension Plans Act*, the Board agrees to participate as to one-half (½) the cost determined by the Commissioner of Municipal Pension Corporation to extend the pensionable service of a member covered by this Agreement up to a maximum of one year. It is understood that this extension shall represent that period of time served by the member in a probationary capacity as an Employee of the Board and which has not previously been considered as pensionable service. Current Pension Plan rules require that the purchase of service be made within five (5) years of the hire date for Permanent Employees.

This benefit shall be subject to the following conditions:

(i) Only a member with a vested interest in the Municipal Pension Plan and who has reached the minimum age of retirement as defined in the *Public Sector Pension Plans Act* shall be eligible; and

- (ii) An Employee who wishes to take advantage of this benefit shall give the OIC Administration Division at least six (6) months' notice in writing in advance of the date at which the Employee wishes to retire. The Employee must also provide written verification of the purchase of the service, including cost at the time of purchase, for reimbursement of one half of what the actual cost was at the time of purchase. The reimbursement shall be paid to the Employee upon their retirement. Purchase of this service must be made within the timeframe established by the *Public Sector Pension Plans Act*.

7.08 Retirement

If an Employee retires and receives payment under this Article and then becomes an Employee again and re-retires, the Employee is entitled to a maximum of one (1) month's pay (21.67 working days when payment is split between retirements) in total through all of their retirements with the Board.

- (a) On retiring at or after age sixty (60), a superannuated Employee shall receive one (1) month's pay, computed at their rate of pay for the calendar month immediately preceding the date of retirement.
- (b) On retiring at or after age sixty (60), an Employee who is not on the Municipal Pension Plan shall receive two (2) days' pay computed at their rate of pay for the calendar month immediately preceding the date of retirement, for each completed consecutive period of twelve (12) months continuous service to a maximum of one (1) month's pay.
- (c) An Employee who retires under the age of sixty (60) will qualify for either one (1) month's salary or two (2) days' pay for each consecutive twelve (12) months of service to a maximum of one (1) month's pay (as shown in 7.08 [a] and [b], provided their age and years of service with the Board total eighty (80) or more.)
- (d) Effective 2017 June 22, written notice of retirement must be provided to the Human Resources Department at least three (3) months prior to the intended retirement date.

7.09 Sick Leave Plan

- (a) After three (3) completed calendar months continuous service, Probationary and Full-time Employees shall be granted Sick Leave with pay on the basis of one and one-half (1½) days per month (maximum eighteen (18) days per calendar year), cumulative to a maximum of two hundred and fifty (250) working days, retroactive to the first calendar month of employment.

For Employees employed as at April 1, 1999, existing sick leave banks will be grandparented at current levels to a maximum of two hundred and eighty (280)

working days. Once the level of days drops below two hundred and fifty (250) working days, Employees can only earn back to a maximum of two hundred and fifty (250) working days.

Where continuance and/or cumulative absences occur as outlined in (i), (ii) and (iii) below, Annual Sick Leave credits in the following year shall be pro-rated as follows:

(i) Up to twenty (20) continuous working days of absence due to Sick Leave, between January 1st and December 31st will not result in any reduction of Sick Leave credits.

(ii) Twenty-one (21) continuous working days of Sick Leave or more, between January 1st and December 31st will result in the pro-rating of Sick Leave Credits according to the following formula:

$$\frac{\text{No. of Cumulative Working Days Absence}}{260 \text{ working days}} \times 18 \text{ days}$$

(iii) Cumulative absences of forty (40) working days or more on Sick leave between January 1st and December 31st will result in the pro-rating of Sick Leave Credits according to the following formula:

$$\frac{\text{No. of Continuous Working Days Absence}}{260 \text{ working days}} \times 18 \text{ days}$$

- (b) A medical certificate may be required as proof of sickness.
- (c) In the event of extended medical absence, if the Employer requires medical certification of ability to return to work, the Employer will pay for the cost of the certificate.
- (d) Non-Culpable Termination

Where a Permanent Employee has exhausted all sick leave benefits, including any Employment Insurance benefits and has no access to Long-term Disability benefits, the Board may, at their discretion, terminate their employment on a non-culpable basis unless there is a reasonable likelihood that they would be able to return to productive employment within nine (9) months from the last day that benefits were received. In this case, the Employee will be granted sick leave without pay for the additional period. If, at the end of the additional period, the Employee is still unable to return from sick leave, the Employee may be terminated on a non-culpable basis.

7.10 Illness in the Family

Where no one other than the Employee can provide for the needs of the Employee's child, spouse or parent during an illness, an Employee, upon approval of the Chief Constable or

designate, may be granted up to three (3) accumulated sick leave days per year for this purpose. In order to comply with the requirements regarding eligibility for EI Rebates, only those Employees who have more than twelve (12) days' sick leave credits are entitled to use sick leave for family illness as outlined herein.

7.11 WorkSafe Benefits

- (a) In WorkSafe cases the time not paid by the Board shall be treated as sickness and the loss of salary paid by the Board from the Employee's Sick Leave, but shall not be a deduction from the Gratuity allowance.
- (b) A WorkSafe Income Continuance Plan is instituted as follows:
 - (i) While the Employee is absent on Wage Loss Benefits the wage loss cheque from WorkSafe will be forwarded to the Municipality and the Employee will continue to be in receipt of a cheque from the Municipality. If the net adjusted pay received by an Employee by way of WorkSafe Income Continuance benefits is below that pay which they would have received had they been working, the District will top up the Employee's pay from their sick leave bank. An Employee's adjusted net pay will not exceed their normal net pay.
 - (ii) While in receipt of the WorkSafe Wage Loss Benefit the Employee's salary for the period of wage loss will be the figure which WorkSafe calculates as being the value of the wage loss benefit. From this figure all normal deductions will be taken except for those deductions such as Income Tax, Canada Pension Plan and Unemployment Insurance which presently are not taxable on WorkSafe Wage Loss Benefits and any others which in the future may become non-taxable under WorkSafe Wage Loss Benefits. After these deductions are made the Employee receives the balance, subject to (i) above.

7.12 Third-party Liability Provision

- (a) When an Employee initiates a claim against an insuring third party (e.g. ICBC), the Employee agrees to include an amount as payment for wage loss benefits (including fringe benefit costs) refundable to the period during which the Employee received Sick Leave benefits. “Terminated Employee” means an Employee who is terminated pursuant to Sub-section 12.04(b)(vi), or who elects or is deemed to have elected compensation pursuant to Sub-section 12.04(b)(viii);

“Week's Pay” for the purpose of Sub-section 12.06(a), means a Laid-off Employee's average Regular Weekly Earnings as herein defined during the six (6) months prior to the date of the Layoff;

“Workforce” means Permanent Full-time Employees and Permanent Part-time Employees who have successfully completed the probation period, it being understood that Temporary Employees, Casual Employees and Probationary Employees shall be eliminated before a Layoff occurs in that classification.

12.03 Layoff Notification, Procedures, Benefits and Seniority

The Board agrees that, by letter, it will provide the Association with as much notice as possible that a review of possible Layoffs is underway.

12.04 The following principles shall apply in the event of a Layoff:

(a) Bumping Notification

- (i) The Board shall notify the Association advising it of the redundant position(s), the pattern of bumping and the name(s) of Affected Employees. Such notice shall be written and shall also be given individually in writing to the Affected Employees.
- (ii) Notice shall be given to both the Association and the Affected Employee(s) at the end of the Employee's last shift of their work week then current. The Affected Employee and the Association shall both have two (2) working days in which to respond to the Board's notice.

(b) Bumping Pattern and Process

- (i) The pattern of bumping shall be established by the Board in accordance with the principle that an Affected Employee shall Bump the Employee with the least Seniority in an Eligible Lateral Position or an Eligible Lower Position,

provided the Affected Employee is qualified for that position and possesses greater Seniority than the incumbent.

- (ii) The Board shall notify all Affected Employees advising them of their re-assignment within the bumping pattern. Affected Employees shall have two (2) working days from receipt of the notice to advise the Board in writing of their rejection of the bumping assignment.
- (iii) If an Affected Employee who has been advised of their bumping assignment does not accept such assignment, that Affected Employee is to advise the Board in writing within the two (2) working days above specified of their reasons why such a Bump should not occur. Such reasons shall include an alternative bumping suggestion. The Board shall reply to the Affected Employee within one (1) working day of receipt of their written suggestion either agreeing to their suggested alternative or confirming the original bumping pattern. The Affected Employee's response to this (i.e. accept the Bump as originally advised or be laid off) is to be immediately given to the Board.
- (iv) Affected Employees who are to be bumped as a result of the Board's acceptance of the alternative proposed shall be notified at the earliest opportunity of either bumping assignment or Layoff and, if bumping is applicable, shall then be governed by the procedure outlined. The Association will also receive written advice of such bumping assignment or Layoff.
- (v) Working days are calculated commencing with the receipt by the Employee of the Board's original notice of bumping assignment.
- (vi) Affected Employees who because of qualifications or Seniority cannot be re-assigned within the bumping pattern, or who opt not to Bump, shall be given at least ten (10) working days written notice (or pay in lieu of notice or combination of both) advising them of their effective date of Layoff.
- (vii) Affected Employees who Bump into an Eligible Lateral Position, or an Eligible Lower Position shall be placed on the new pay level at or below that of their former position.
- (viii) At least five (5) working days prior to their effective date of Layoff (or within five (5) days following notification, if payment in lieu of notice is given), Laid-off Employees will be required to elect in writing to avail themselves of the procedures set forth under Section 12.05 Recall OR Section 12.06 Compensation. If a Laid-off Employee fails to make such election within the five (5) days the Laid-off Employee shall be deemed to have elected Section 12.06 Compensation.

(c) Benefits Coverage During Layoff

Benefits for Laid-off Employees shall cease on the effective date of Layoff with the exception of medical, extended health and dental, which shall be discontinued effective the end of the month in which the effective date of Layoff occurs, unless the Laid-off Employee elects to pay one hundred percent (100%) of the premiums for these benefits during each month of lay off, and subject to the approval of the respective insurance carriers. Continuation of benefit coverage under this option will only be extended for a maximum of twelve (12) months from the date of lay off.

(d) Seniority During Layoff

Seniority shall cease to accumulate effective with the date the Laid-off Employee is laid off.

12.05 Recall

The following shall apply only to Laid-off Employees who have elected this process:

(a) Laid-off Employees shall be eligible for Recall for a period of twelve (12) months following their effective date of Layoff.

(b) The Board shall make every reasonable attempt to contact and Recall Laid-off Employees in order of Seniority, subject to their qualifications. It is the responsibility of the Employee to notify the OIC Administration Division of any change of address and other contact information.

(c) The Board shall specify the time when a Laid-off Employee shall return to work. A Laid-off Employee who has accepted the Board's Recall but who does not report to work within forty-eight (48) hours of Recall or who refuses such a Recall shall be treated as follows:

(i) If failure to report to work within forty-eight (48) hours of the Recall is the Laid-off Employee's first failure to report to work for a Recall, then the Laid-off Employee shall be moved to the bottom of the eligibility list, however, if this is not the Laid-off Employee's first failure to report following Recall, i.e., there has been one or more previous failures to report to work on the Laid-off Employee's part then the Laid-off Employee shall no longer be eligible for Recall and shall be deemed terminated. The Board may extend these time limits where extenuating circumstances exist.

(ii) A. If a Laid-off Permanent Full-time Employee refuses a recall to Permanent Full-time employment, then the Employee shall no longer be eligible for recall and shall be deemed terminated. The same also applies to a Laid-off Permanent Part-time Employee who refuses a recall to Permanent Part-time employment.

- B. A Laid-off Permanent Full-time Employee shall have the right to refuse a recall to Temporary Full-time employment without losing their position on the Board's Recall List.
 - C. A Laid-off Permanent Part-time Employee shall have the right to refuse a recall to Temporary Part-time employment without losing their position on the Board's Recall List.
- (d) In administering the procedures in this Section 12.05 Recall, the Board shall, so far as is reasonably possible, attempt to reverse the Layoff/Bumping pattern of Affected Employees.
 - (e) Benefits for Laid-off Employees who are recalled shall be reinstated effective the first day of the month following Recall, provided the eligibility period has been met. Service related benefits shall be pro-rated by the period of Layoff. Seniority commences accumulating from the Laid-off Employee's first working day following Recall. Such seniority shall be added to seniority they had accumulated to the date of their layoff.
 - (f) Laid-off Employees shall be deemed terminated upon the earliest of: failure to report to work for a Recall pursuant to Sub-section 12.05(c)(i), refusal of Recall pursuant to Sub-section 12.05(c)(ii), or failure to be recalled within twelve (12) months of Layoff provided that a Laid-off Employee shall not be deemed terminated pursuant to this paragraph while working at "Other Employment".
 - (g) No new Permanent Employees shall be hired while qualified Laid-off Employees are eligible for Recall and are available for work. Affected positions shall not be posted while qualified Laid-off Employees are eligible for Recall.
 - (h) A Laid-off Employee's acceptance or refusal of "Other Employment" shall not affect Recall rights under this section.

12.06 Compensation in the Event of Layoff

The following shall apply only to Laid-off Employees who have elected this process, or who are deemed to have elected this process:

- (a) Laid-off Employees shall be entitled to two (2) Week's Pay for between six (6) months and two (2) years of continuous service and one (1) additional Week's Pay for each continuous year of service thereafter, subject to a total maximum of eight (8) Week's Pay.
- (b) Employees who elect or are deemed to have elected compensation shall be considered terminated on the effective date of Layoff.

12.07 Temporary Layoffs

In the event of a reduction in the Workforce for a definite and limited period of time not to exceed twenty-eight (28) calendar days, the Board may temporarily lay off Employees and re-allocate the remaining work without regard to Seniority provided the following principles are applied:

- (a) Employees who are not laid off shall retain their current rate of pay during the period of temporary Layoff.
- (b) Benefits for Laid-off Employees shall cease during the period of temporary Layoff except for medical, extended health, dental, group life insurance and group income continuance, which shall not be affected; however, premiums required to provide such benefits will be paid fully by the Laid-off Employee for the period of temporary Layoff; service-related benefits including vacations, service pay, service pay increments and salary and wage increments shall be prorated by the period of temporary Layoff; however, Seniority shall not be accumulated.
- (c) Laid-off Employees shall be recalled to their former positions, as those positions are re-established during the period of temporary Layoff.
- (d) If, during the period of temporary Layoff, the Board determines that the Layoff will exceed twenty-eight (28) calendar days, or if all Laid-off Employees are not recalled within twenty-eight (28) days, then the Board shall apply the provisions of Sections 12.01 to 12.06.

12.08 Emergency Suspensions of Work

- (a) In all cases of potential Layoff due to extraordinary conditions, every effort shall be made to share the remaining work amongst all the Employees affected prior to steps being taken to activate a Layoff.
- (b) Except in cases of emergency (as determined by the Board), when Layoffs occur as a result of weather conditions, no Employee will work overtime if such work can be performed by a Laid-off Employee who has been laid off under this Section 12.08.
- (c) Notwithstanding any other provisions of this Agreement, in cases of inclement weather, strikes, lock-outs or other circumstances beyond the control of the Board, the Board may temporarily suspend work without notice.

ARTICLE 13 – WORKING CONDITIONS

13.01 Changes in Working Conditions

The Board agrees that any reports or recommendations made to the Board dealing with matters covered by this Agreement, including recommendations for changes in method of operation that may affect wage rates, work loads or reduction of employment, will be communicated to the Association at such intervals before they are dealt with by the Board as to afford the Association reasonable opportunity to consider them, and further, that if Employees are deprived of employment by any implementation of such change they shall receive priority consideration for other employment with the Board.

13.02 Hours of Work

- (a) The normal hours of work shall consist of a total of thirty-five (35) hours per week.
- (b) Exceptions may be made by the Board with the concurrence of the Association.

- shifts of normal full time hours – two (2) ten (10) minute rest periods and one (1) meal break.

Where rest periods are to be provided, they are normally scheduled so that there is one (1) during the work period prior to the meal break and one (1) during the work period after the meal break. Rest periods shall be included as part of the hours worked. The times when the rest periods and meal breaks are to be taken shall be approved by the Supervisor.

- (e) The Chief Constable shall be responsible for the regulation of working days and hours to complete the total hours referred to in Sub-sections 13.02(a) and (b).

13.03 Shift Differential

- (a) A shift differential shall be paid to Employees required to work afternoon and night shifts. Such differential shall be:

Afternoon Shift - one (1) additional pay grade shift differential.

Night Shift - two (2) additional pay grades shift differential.

All Employees hired after the ratification date of the 2004-2007 Collective Agreement (May 26, 2004) who work these shifts will receive eighty-five cents (\$0.85) per hour shift differential for working afternoon and night shifts, provided, however, that if more than one-half of the hours of the regular shift so worked fall outside 7:00 a.m. to 7:00 p.m., the shift differential shall be applied to the hours worked in the entire regular shift.

(b) The times between which shift differentials shall be paid are:

Afternoon Shift - any shift scheduled between 3:00 p.m. and 1:00 a.m.

Night Shift - any shift scheduled between 11:00 p.m. and 9:00 a.m.

(c) No Employee whose regular daily shift falls entirely within the period of 7:00 a.m. to 7:00 p.m. shall receive any shift differential either for regular hours worked within such period or for any extended tour of duty continuing beyond 7:00 p.m.

(d) Shift differentials shall be excluded for the purpose of calculating overtime rates, but shall be included as earnings for the purpose of calculating Municipal Pension Plan contributions, except when earned in connection with other than regular pay.

(e) Shift differential shall be paid for scheduled hours only and shall not be paid for overtime hours.

13.04 Overtime (Extended Tour of Duty)

(a) Any overtime incurred under this Agreement shall be calculated on the basis of the number of hours worked, multiplied by one and one-half (1½) or two (2) as the case may be, and the results taken to the nearest hour.

Hours worked in excess of the normal work day shall be compensated for on the following basis:

(i) time and one-half (1½x)
for the first two (2) hours of overtime on any regular working day, if worked immediately preceding or immediately following an Employee's regular shift;

(ii) double time (2x)
for all overtime beyond two (2) hours on any regular working day, if worked immediately preceding or immediately following an Employee's regular shift;

(iii) double time (2x)

for all overtime worked at any other time than immediately preceding or immediately following an Employee's regular shift.

Overtime for Employees who are not Full-time Employees shall commence once they have completed the Full-time equivalent hours for the shift the Employee is working or have completed thirty-five (35) hours of work in the week.

- (b) Subject to the exigencies of the department it is understood that prior to overtime being offered to Permanent Employees, Temporary Employees and Part-time Employees shall have the opportunity of completing the normal hours of work for the shift they are working providing that it does not run into overtime.
- (c) Wherever reasonably possible and provided that such Permanent Employee is Qualified as hereinafter defined, Permanent Employees shall be offered available overtime prior to such overtime being offered to Temporary Employees or Part-time Employees. "Qualified" for this Section 13.04 shall be as defined in Section 12.02, Layoff, Bumping, Recall and Compensation.
- (d) **EOC Overtime**

Until such time as the provincial government rules regarding reimbursement of Provincial Emergency Plan (PEP) overtime change, any overtime worked in an Emergency Operation Centre situation where a PEP number has been assigned, will be paid out. This overtime cannot be banked under current provincial government rules.

13.05 Overtime Accumulation

An employee may elect to accumulate overtime earned in Section 13.04 up to a maximum of the hourly equivalent of five (5) working days at any one time, to be taken as time off with the approval of the Chief Constable. Any such accumulated time not taken off by December 31 shall be paid in cash.

13.06 Meal Breaks and Meal Allowance

- (a) When an Employee is required to work two (2) or more hours overtime immediately after their regular shift, or is required to work three (3) or more hours overtime prior to their regular shift, they shall be given a paid one-half (½) hour meal period at the rate of time and one-half (1½x) of their straight time hourly rate of pay.
- (b) Meal Breaks shall be paid as follows:

(i) During Overtime

Upon completion of two (2) continuous hours of overtime work immediately preceding or immediately following an Employee's regular shift, the Employee becomes entitled to a paid meal break of a one-half (½) hour which the Board may permit to be started at any time within the two (2) hour period but, except in an emergency, no later than the end of two (2) hours.

(ii) During Call-Outs

Upon completion of three and one-half (3½) continuous hours of call-out work or pre-scheduled overtime work, occurring at any time other than immediately preceding or immediately following an Employee's regular shift, an Employee becomes entitled to a paid meal break of a one-half (½) hour which the Board may permit to be started at any time within the three and one-half (3½) hour period but, except in an emergency, no later than the end of the three and one-half (3½) hours.

(iii) During Overtime and Call-outs

Upon the completion of each succeeding three and one-half (3½) continuous hours of call-out work or overtime work, the Employee shall be given another paid meal break of one-half (½) hour which, except in an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

(iv) For each meal break given to an Employee under Sub-sections 13.06 (a), (b) and (c), the Employee shall be paid the one-half (½) hour at double (2x) the Employee's regular rate of pay.

(v) Where by reason of an emergency it is not feasible to give a meal break at the designated time under Section 13.06 it shall be taken as soon as practicable and in addition the Board shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the Employee would have been otherwise entitled to a paid meal break. The supplying of nourishment by the Board does not disqualify the Employee from receiving the appropriate meal allowance under 13.06 of the Agreement.

(c) Meal Allowance shall be paid as follows:

The Board will not be responsible for supplying nourishment to Employees in any other circumstances except as mentioned above in the cases of emergencies which preclude a meal break being taken at the designated time.

Reimbursement of meal expenses will be according to the following scale and with reference to the paid meal breaks set out in Section 13.06, it being clearly understood that continuous periods of time must be worked to qualify both for the paid meal break and the following meal allowances.

- (i) Overtime (Extended Tour of Duty) immediately preceding or immediately following a regular shift, as outlined in 13.04:
 - A. Seven Dollars and Fifty Cents (\$7.50) at the first break, and
 - B. Two Dollars and Fifty Cents (\$2.50) at each succeeding break.
- (ii) Call-out: Seven Dollars and Fifty Cents (\$7.50) at the first break and Two Dollars and Fifty Cents (\$2.50) at each succeeding break. For the purposes of this provision, payment for meal allowance shall be required where a call-out occurs twelve (12) hours or less from the required start time.

13.07 Call-Out

- (a) The return to work, other than during regular detailed working hours, in accordance with a request from the Chief Constable, shall constitute a Call-out.
- (b) Pay for Call-out shall be:

Double time (2x) without exception for the time actually worked plus one (1) hour's allowance for traveling to and from home, with a minimum of three (3) hours pay multiplied by two (2). If additional calls are made upon the Employee prior to the expiry of the three (3) hour period or prior to their arrival home, whichever last occurs, such additional calls shall not attract an additional three (3) hours minimum, but the Employee shall be paid for the time actually worked plus an additional one (1) hour's allowance for traveling to and from home. If two (2) separate Call-outs are completed within a three (3) hour period, the minimum payment shall be four (4) hours multiplied by two (2).

13.08 Remaining at Work, or Return to Work

Subject to the exigencies of the force, the Chief Constable or their designate shall have the ability to require an Employee to remain at work after the completion of their regular shift or return to work on a day off.

ARTICLE 14 – COURT ATTENDANCE

14.02 The morning session shall end when the Court adjourns for lunch or completes the list prior to the adjournment for lunch.

14.03 When an Employee is required to attend a morning session of a court and to remain in attendance at that court after 1300 hours but is not required for an afternoon session on the same day, they shall receive further compensation of one hour in addition to that set out in Sub-sections 14.01(a), (b) and (c).

14.04 Cancellation of Attendance

- (a) Where an Employee who has been scheduled to attend court during their weekly leave subsequently is advised that their attendance will not be required, then unless the Employee received at least fifteen (15) hours' notice that their attendance is not required, they shall be allowed time off equivalent to one-half ($\frac{1}{2}$) of the minimum amount they would have been allowed had they attended; provided that, if an Employee has been scheduled to attend court at more than one session on any one day of their weekly leave, and attends court on that day then no time off shall be allowed under this sub-section, notwithstanding that they receive less than fifteen (15) hours' notice that they are not required to attend one or more scheduled sessions.

For the purpose of this Section 14.04(a), weekly leave shall be deemed to commence forthwith upon completion of a regular commencement of the next regular weekly tour of duty.

- 14.05** Where an Employee is required to attend a Prosecutor's interview during the evening immediately following the Employee having completed their regular day shift they shall be paid four (4) hours straight time pay at their rate of pay.

ARTICLE 15 — ABANDONMENT OF POSITION

- 15.01** An Employee who fails to report for work for ten (10) consecutive working days without informing the Employer of the reason for their absence will be presumed to have resigned. An Employee shall be afforded the opportunity to rebut such presumption and demonstrate that there were reasonable grounds for not informing the Employer.

Where any difference arises between the parties to this Agreement relating to the dismissal, discipline or suspension of an Employee covered by this Agreement, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, either of the parties, without stoppage of work, may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its desire to submit the difference to Arbitration; or may request the Labour Relations Board appoint an Officer to confer with the parties to assist them to settle the difference pursuant to Section 87 of the *Labour Relations Code of British Columbia*.

17.02 Grievance Procedure

It is the intent of the parties to settle any difference between them as expeditiously and harmoniously as may be possible and the following procedure is established for this purpose. Timelines are a matter of substance but may be modified by mutual consent.

Informal Meeting with the Supervisor

Within ten (10) working days after an Employee becomes aware of an occurrence of an incident, the aggrieved Employee(s) is encouraged to discuss the matter with their immediate Supervisor. At the option of the aggrieved Employee(s), the Association Representative may be present at the meeting. The purpose of the meeting shall be to review the circumstances giving rise to the incident, and to determine whether the matter can be satisfactorily resolved without recourse to the grievance procedure.

Within five (5) working days of the Supervisor's written response, a grievance may be filed if the matter is not resolved at the informal meeting with the Supervisor.

Grievance Procedure

(a) *Step One*

To initiate a grievance, the Employee and/or Association Representative shall, within ten (10) working days of the Employee first becoming aware of the occurrence of the incident, or five (5) working days from the Supervisor's written response from the Informal Meeting, submit a written grievance directly to the OIC Administration Division that includes the Article(s) alleged to have been violated.

The parties shall meet to attempt to settle the grievance within five (5) working days after being notified.

The OIC Administration Division shall have five (5) working days from the date of the meeting to inform the Association in writing of the decision.

Within five (5) working days of the OIC Administration Division's decision, the Association representative shall indicate in writing to the OIC Administration Division and to the Chief Constable, whether the grievance is resolved or is being advanced to the next step of the grievance procedure.

The Step One meeting will normally include but not be limited to the aggrieved Employee(s), an Association representative, the Employee's immediate Supervisor and the OIC Administration Division.

(b) *Step Two*

Step Two of the grievance procedure involves the Chief Constable. Within five (5) working days after the Chief Constable receives written notice from the Association indicating that the grievance is being advanced to the next step, the parties shall meet to attempt to settle the grievance.

The Chief Constable shall have five (5) working days to inform the Association of the decision.

Within five (5) working days of the Chief Constable's decision, the Association representative shall indicate in writing to the Chief Constable and the Police Board whether the grievance is resolved or being advanced to the next step of the grievance procedure.

The Step Two meeting will normally include but not be limited to the aggrieved Employee(s), the Association representative, the Employee's immediate Supervisor,

OIC Administration Division, the Chief Constable and the Human Resources representative.

(c) *Step Three*

Step Three of the grievance procedure involves the Police Board, who may appoint one (1) or more Board members to represent the Police Board in Step Three. Within ten (10) working days after the Board receives written notice from the Association indicating that the grievance is being advanced to the next step, the parties shall meet to attempt to settle the grievance.

The Police Board shall have five (5) working days to inform the Association of the decision.

Within ten (10) working days of the Police Board's decision, the Association Representative shall indicate in writing to the Police Board whether the grievance is resolved or being advanced to Arbitration.

The Step Three meeting will normally include but not be limited to the aggrieved Employee(s), the Association Representative(s), the Employee's immediate Supervisor, the OIC Administration Division, the Chief Constable, the Human Resources representative, and the Police Board or its representative(s).

- 17.03** (a) In the event there is an Association grievance as such, or a Police Board grievance as such, either party may initiate the grievance procedure commencing at Step Three above and shall be governed by the ten (10) working day reporting time detailed in Step One.
- (b) In the event there is a Police Board Grievance, the grievance shall be directed to the Association's Business Manager.

17.04 Dismissal and Suspension Grievance

Where the grievance involves an Employee who has been dismissed or suspended, the grievance shall be received within ten (10) working days of the Employee first becoming aware of the dismissal or suspension to Step Two of the grievance procedure. Upon receipt of the grievance notification, the parties may mutually agree to refer a dismissal and suspension grievance directly to Step Three of the grievance procedure.

17.05 Arbitration

- (a) Within ten (10) working days of the Police Board's decision at Step Three, the Association must indicate in writing whether the grievance is being advanced to Arbitration. If the Association has not provided written notification of their proposed arbitrator(s) within five (5) working days of filing written notice that the grievance is being pursued to arbitration or, if it has, and the matter is not actively pursued by the

Association (for example, by advice from the Association that they are proceeding to arbitration, within thirty [30] calendar days) the grievance shall be deemed to be abandoned, unless the parties otherwise agree. The Arbitration Board shall be a single Arbitrator, unless the parties agree to a three (3) member panel. The Decision of the Arbitration Board, either single or three (3) person, shall be final and binding on both parties.

Expenses incident to the services of the single-member Arbitration Board shall be borne equally by the parties to this Agreement; each party shall bear the expenses incident to the services of its appointee to the three (3) member Arbitration Board and shall bear equally the expenses incident to the services of the Chair of the Board.

- (b) Single Arbitrator: The arbitrator shall be appointed by mutual consent of the parties. If the parties are unable to agree upon the arbitrator within seven (7) working days after arbitration has been invoked, they shall then jointly petition the Collective Agreement Arbitration Bureau to appoint an arbitrator. The arbitrator shall complete their examination and hearing and hand down their award within a reasonable time, which is considered to be not more than thirty (30) calendar days after their appointment.
- (c) Three-member Board: If arbitration is to be conducted by a board of three (3) members, the party invoking arbitration shall, in its notice to the other party, so state, and the notice shall contain the name of its appointee to the Arbitration Board. The recipient party of such notice shall, within ten (10) working days, advise the other party of the name of its appointee to the Board. The two (2) appointees so selected shall, within twelve (12) working days of the appointment of the second of them, appoint a third person who shall be the Chair. If the two (2) members fail to agree upon the Chair in the time specified, either party may apply to the Collective Agreement Arbitration Bureau to appoint a Chair. The Arbitration Board shall proceed as soon as practicable to examine the grievance and render its judgment.
- (d) It is agreed between the parties hereto that the above grievance and arbitration procedure shall be the sole method of settling differences between them or between an Employee or Employees and the Board, and it is further agreed that both parties and the Employees covered by this Agreement shall be bound by the settlements which derive from the grievance and arbitration procedure.
- (e) Any questions as to whether any matter is arbitrable shall be decided by mutual agreement between the parties hereto or shall be referred to arbitration for decision.
- (f) Unless otherwise stated in this Agreement the provisions of Part 8 of the *Labour Relations Code of British Columbia*, being Sections 84 to 114, entitled Arbitration Procedures, will apply.

ARTICLE 18 – EMPLOYEE FILES

- 18.01** (a) Material of a negative or adverse nature must be shown to the Employee prior to entering such material into that Employee's file in the Police Department. In addition, such Employee shall be given the opportunity of acknowledging, by signature, that the entry has been seen.
- (b) An Employee shall have access to all material in their Employee file at a time which is mutually convenient to the Employer and only in the presence of the OIC Administration Division or their designate. The Employee may or may not, at the Employer's discretion, be accompanied by an Association representative.
- (c) Material of a positive or complimentary nature will be shown to the Employee and subsequently placed in their file in the Police Department.
- (d) Critical and complimentary references shall be removed from an Employee's file only after completion of a four (4) year period from the time of the incident, excepting instances of a recurring nature whereby the four (4) years will be calculated from the most recent incident. The Board will extend the four (4) year period up to a maximum of twelve (12) months where an Employee has been absent (e.g. extended leaves) for a period of three (3) months or more. Where material critical of the Employee, or in the nature of a reprimand, is placed in the file, the Employee may elect to attach an addendum to the material.
- (e) An Employee may request copies of file documents authorized and provided by the Employer, including certificates of attainment.

ARTICLE 19 – ASSOCIATION REPRESENTATION

19.01 Representation

- (a) An Employee may choose to have their Association representative present at meetings with their Supervisor which the Employee or Employer believes may be the basis for disciplinary action.
- (b) Where a Supervisor intends to interview an Employee for disciplinary purposes the Supervisor shall endeavour to notify the Employee in advance of the purpose of the meeting to provide the Employee with the opportunity of contacting their Association representative and requesting that representative's attendance at the meeting, providing this does not hinder the ability of the Supervisor in the exercise of their authority.
- (c) This clause shall not apply to meetings involving performance appraisals or of an operational nature not involving disciplinary action.

19.02 Notwithstanding the foregoing, it is the Supervisor's responsibility to take immediate action where it can be shown that to delay the exercise of such discipline would not be in the best interests of either the Employee or the Employer.

19.03 For the purpose of this Section, "Association Representative" and "Representative" shall mean a Shop Steward or, in the absence of a Shop Steward, may also mean an Officer of the Association or designate.

19.04 Shop Stewards

- (a) The Board will recognize only one (1) Shop Steward.
- (b) The Association will supply the Chief Constable with a list of its Shop Stewards and Executive Officers as changes occur.
- (c) If the Shop Steward is also the Employee's Supervisor, the Association shall designate an alternate representative.

19.05 Introduction of New Employees to Association Stewards/Representatives

- (a) The Employer will make the necessary arrangements to enable new Employees to meet the Association Representative for their work location.
- (b) The Representative will work with their Supervisor to find a mutually agreeable time to attend an "Introduction" meeting.
- (c) If the Representative is unable to meet with the new Employee, the Representative will notify the Association so that the Association can make whatever arrangements are necessary to complete the introduction.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed on the date and year first above written.

Re: Benefit Details For WVMEA Members After Age 65

Further to the provincial government's legislation regarding the end to mandatory retirement at age sixty-five (65), effective January 01, 2008, the following is a summary of the benefits Employees will be eligible to participate in, if they work after the age of sixty-five (65), as per the terms of the Collective Agreement:

- a. **BC Medical (MSP), Dental and Extended Health** benefits continue until termination.
- b. **Pension** rules remain as per defined by the Municipal Pension Plan. At time of writing, it is understood that Employees may contribute to the pension plan for a total of thirty-five (35) years when they reach maximum benefit and it is also understood that the Employee must begin collecting the pensionable benefit to which they are entitled no later than the end of the year in which they turn sixty-nine (69) years of age.
- c. **Long-term Disability** coverage ends at age sixty-five (65).
- d. **Group Life** benefits discontinue at age sixty-five (65).
- e. **Any other benefit provisions** (e.g. WorkSafeBC) will be provided as per the rules and regulations of those plans.

It is understood that as this is a relatively new working age group for both parties since the legislation has been enacted, should there be any misunderstanding of any details, advice of same will be provided the other party in writing at the earliest opportunity.

Re: Bargaining Subcommittee on Emergency Planning Terms of Agreement

The principles that follow are those agreed to by the parties, to be adhered to in an extensive EOC Activation Level 2 emergency situation or an EOC Activation Level 3 emergency situation.

Definitions*

*As outlined in JI Level 2 EOC Operational Guidelines Manual

EOC Activation Level 1:

Small event; one (1) site; two (2) or more agencies involved; ***potential threat*** of flood, severe storm, interface fire. (NB. Potential threat may require activation of EOC level 2, depending on circumstances.)

EOC Activation Level 2:

Moderate event; two (2) or more sites; several agencies involved; major scheduled event (e.g. conference or sporting event); limited evacuations; some resources/support required; PEP/PREOC limited activation.

EOC Activation Level 3:

Major event; multiple sites; regional disaster; multiple agencies involved; extensive evacuations; resources/support required; PREOC activation.

PEP: Provincial Emergency Program

PREOC: Provincial Regional Emergency Operations Centre

WEST VANCOUVER POLICE

1. West Vancouver Police recognizes that employees' first concern will be to ensure that their immediate family members are safe.

2. The safety and health of West Vancouver Police employees is of primary importance. No employee will be knowingly placed in any situation of risk without proper training and equipment.
3. West Vancouver Police recognizes its responsibility to ensure provision of basic necessities (food and shelter where appropriate) to employees able to assist with EOC Activation emergency response.
4. West Vancouver Police recognizes that many staff do not reside in West Vancouver and as such, may experience challenges in getting to and from home and work. However, we would expect employees to make their best effort to get into work and West Vancouver Police would do what it could to assist.
5. West Vancouver Police recognizes its responsibility to ensure emergency planning preparedness training opportunities are provided to employees to ensure employees are prepared personally and are familiar with their own department's emergency response plan.

EMPLOYEES

1. Employees understand that West Vancouver Police depends on their skills and experience to restore services to the community. Once the employee's family's safety is assured, it is expected that employees be available to assist with recovery from the emergency situation.
2. Employees will comply with "check in" and other procedures (e.g. time sheet submission process) established in an EOC Activation emergency situation.
3. Employees will ensure that they are familiar with their own department's emergency response plan.
4. Employees may be directed to undertake tasks outside the scope of their normal job functions. Employees will be paid at their normal rate of pay and under the terms and conditions of employment as outlined in their collective agreement. All West Vancouver Police policies remain in effect in an EOC Activation emergency situation unless otherwise directed by the Chief Constable.
5. If an Employee is unable to show up for work due to transportation issues (e.g. roads out or bridges closed), has no alternative means of getting to work and there is work available for the Employee, time will be coded as a leave of absence without pay. If the Employee has banked time available (e.g. gratuity, overtime or vacation), the Employee may request payment from their bank(s). If an Employee is unable to show up for work due to transportation issues, the Employee is encouraged to offer assistance to their home municipality. Whether any such work is done on a voluntary or temporary employee basis is between the individual and their home municipality.

6. Employees are encouraged to be personally prepared for a major emergency by attending personal emergency planning preparedness sessions offered by their communities and the District of West Vancouver.

WVMEA

1. Volunteers are recognized as a necessary resource in an EOC Activation major emergency situation. The parties agree that volunteers would not replace staff but would supplement the available workforce. Employees will be assigned work first in all but unavoidable circumstances.
2. The WVMEA will work with West Vancouver Police in both a liaison and problem resolution capacity to help sort out matters that arise that had not been previously contemplated.
