SCOPE

This policy applies to staff who wear prescription eye wear and work in an area where it is mandatory to wear safety glasses for the majority of their shift due to the nature of the work performed and/or Branch Policy.

POLICY STATEMENT

Engineering Services will provide a reimbursement of 50% of the cost, to a maximum of \$300.00, no more than once every two calendar years, toward the purchase of prescription safety glasses for those employees who work in an area where it is mandatory to wear safety glasses for the majority of their shift due to the nature of the work performed and/or Branch Policy.

PROCEDURE

The employee will complete an application for pre-approval for the purchase of safety prescription glasses and have the application signed by the Superintendent or Manager.

Attachment B: Addiction Services

LETTER OF AGREEMENT

Between: City of Vancouver/Board of Parks & Recreation

(The "Employers")

And: CUPE Local 1004 (The "Union")

Re: Loans for addiction issues and cost of treatment and monitoring

The Parties entered into a Settlement Agreement on September 20, 2005 to resolve a number of grievances related to loans for addiction issues and the costs of treatment and monitoring. The Agreement in Clause I Loans C. (9) stated that:

"The parties will periodically review this Agreement to grant loans in light of the prevailing cost of treatment, aggregate amount of loans outstanding, and rate of default. This Agreement to review does not constitute any representation on the part of the Employers or the Union to alter the above Agreement."

The last review of the Agreement on loans was May 27, 2010. The City has now reviewed the current cost of treatment and the aggregate amounts of loans outstanding and proposes the following amendments:

1. No change to Clause I Loans A. (1). To read as follows:

Length of Program 59

days or less

Maximum Amount of Loan

60- 89 days

\$2,900 or net cost of program*, whichever is less

90 days or more

\$3,700 or net cost of program*, whichever is less

\$4,500 or net cost of program*, whichever is less

2. Clause I. Loans C.(5). To read as follows:

"The employee shall repay any of the above loan amounts (Treatment and Monitoring) at a rate of \$140.00 per pay period until the full amount of the loan is repaid. The Employer will provide the employee with a regular written statement of loan charges and repayments until it is discharged."

3. New Provision:

In recognition of the fact that most positions in the Union's bargaining unit are safety sensitive, the Employer proposes the following additional assistance:

Where an RFT employee in a safety sensitive position is in need of assistance regarding substance abuse or substance addiction, that employee will be eligible for reimbursement of inpatient or outpatient treatment expenses, not eligible for reimbursement through the Extended Health Care plan, provided that:

- a. The employee participates in an independent medical examination or assessment, if requested by the Employer (provided the employee is medically able to participate);
- b. The independent medical examination or assessment shall be conducted by an appropriately qualified practitioner approved by the Employer;
- c. Treatment is consistent with the independent medical examination or assessment recommendations;
- d. Reimbursement is capped at 80% of approved treatment costs, to a lifetime maximum Employer contribution of \$3,000 per RFT employee.
- e. Access to the loan provisions are contingent on the employee independently funding the residual 20% of costs reimbursed by the Employer as outlined in this clause 3.d; the Employer may waive this requirement on a without prejudice or precedent basis, following a review of the individual circumstances presented by the employee.

4. The Parties are agreed that Provision 3 is not subject to the requirement for periodic review provision of Clause I Loans C. (9)

5. The Parties agree that Provision 3, in its application to RFT employees only, does not affect the applicability of the balance of this letter to employees of different statuses.

6. Upon request, the Parties agree to meet and discuss developments in medical and other addiction treatment methods and recovery approaches.
